FAMILY CONNECTION

www.loyolapress.com

Families take advantage of certain days throughout the year to celebrate individuals in the family and to make sure that they know that they are not taken for granted. As a family, recall all of the days that someone in the family was celebrated in the past year—birthdays, Mother's Day, Father's Day, anniversaries, graduations, and so on. Next, challenge each individual to recall what gifts were received on the day(s) on which he or she was celebrated.

Emphasize that these days are intended to express appreciation in a special way but are not meant to replace the appreciation that we should always show. Point out how, at times, families can take one another for granted. Explain that in this Sunday's Gospel, Jesus tells a story about some people who took something for granted and paid a price. Read aloud Luke 13:22-30. Explain that, in this story, some people took it for granted that they could enter the house whenever they wanted, but the master locked the gate and would not let them in after hours. Point out that Jesus was warning his listeners not to assume that they will have eternal life in heaven and not to take this invitation for granted.

As a family, commit to showing appreciation for one another in the days ahead, striving to not take for granted any of the many things that family members do in their roles as parents and children.

What's Happening Next Door?

Many have asked about the construction in the field between our church and Catholic Charities. Here's the scoop!

Catholic Charities is building a **new maintenance building**, expanding their **parking area**, and installing **electric vehicle (EV) chargers** as part of a clean energy project supported by a state grant. A **new driveway** will also connect their current lot to the new parking area behind their building.

This project helps Catholic Charities move toward an **all-electric fleet**, a greener, more economical way to serve communities across the Diocese.

Estimated completion: Mid-November
