Black and Indian Mission Collection

July 10th and 11th

The Black and Indian Mission Collection enables the Church in the United States to provide desperately required pastoral, educational and spiritual assistance to some of the neediest of our brothers and sisters in the Lord. From the inner cities of the rural south to the deserts of the southwest to the wilderness of Alaska, grants from this annual appeal make it possible for the Church to assist our Black and Indian Catholic communities. Please be generous.

Fuel Collection

There is still time to donate to our annual fuel collection. It's thanks to your generosity in giving to the collection that we have the funds available, year after year, to pay up front for the whole year's worth of oil and thus get the best discounted rates available. Red envelopes are available in the rear of the church for those who don't use the envelope system.

CONGRATULATIONS to all our High School Graduates. Our prayers are with you all as you begin a new phase in your lives.

John Paul II in America: Uniting a Continent
As you continue to celebrate the independence of America, check out this engaging documentary of John Paul II and his travels through the American Continent. The papacy of St. John Paul II left an indelible mark on the American continent. Driven by his singular conviction of a "United American Continent" under the patronage of Our Lady of Guadalupe, his papal travels from Argentina to Alaska generated massive crowds, shaped an entire generation, and ultimately changed the course of history. Viewers will be both intrigued and moved by this film's unprecedented new framework for understanding one of the giants of our times
