Synodality

The Holy Father has asked dioceses, Catholic institutions and groups to come together for prayer, listening, discussion, and discernment, what Pope Francis terms synodality. He has made it clear that this is not meant to discuss what the Church teaches or believes, as that is unchangeable; it is meant to discuss how the Church teaches its truths, and lives out its beliefs. **Listen to the People of God**

*All Parishes have been invited to meet 3 times. The Topic to bring us together "A Journey working together", and "Listening to each other" What insights is the Holy Spirit placing **on our hearts?**

Meditate Daily on the Lord's Passion

The Lenten season is once again upon us. As we spend these 40 days putting sin and the things of this world to death within us—by a more focused return to the Lord through prayer, fasting, and almsgiving—we can profit a great deal by daily turning our mind and hearts to His Passion and death. Countless saints down through Church history have taught that meditating on the Passion of Jesus bears incomparable fruit in our lives in a way other devotions cannot. To enter into the Way of the Cross is to allow Jesus to strip away our worldly concerns and to grow in a more profound love of Him through His sacrifice for us. Our lives tend to come into sharper focus in relation to Christ Crucified. St. Faustina said: “When I meditate upon the Passion of Jesus, I get a clear understanding of many things I could not comprehend before.” Our hearts are broken open with His, which is necessary since our hearts are hardened by sin and the sins of others.

PRESENTATION ON THE HISTORY OF

THE MASS- The Eucharist is integral to our life of faith and our being Church, and our common celebration of the Eucharist (what we call the Mass) is “the source and summit of our Christian life”. (Lumen Gentium #11) But this liturgy of the Mass that we know and love and experience today has undergone many changes over the centuries. On Thursday, March 31 at 7:00 P.M. in St. Joseph's church hall (34 South Chestnut St., New Paltz) there will be a presentation on how the Mass we celebrate today has evolved from the worship of the first Christians, and at the same time how it has stayed essentially the same.

Walking with Christ: A Desert Pilgrimage

Thursdays during Lent at 8 p.m. Online
If you struggle with infertility, you may feel like you're on a lonely, desert pilgrimage. But you are not alone! During the season of Lent, the Springs in the Desert Team invites you to join in for reflection on those Saints and friends of Christ who walked with Him and witnessed His Passion: from the Blessed Virgin Mary to Mary Magdalene; Simon of

Cyrene to Veronica; and the Women of Jerusalem to the Centurion. This FREE event for women and couples struggling with infertility is a chance to enter more deeply into the Lenten spirit while gathering in prayer with others on this same path. For more info info@springsinthedesert.org.
