Combined Mission Collections

This weekend, there is a combined second collection for the Latin America & Home Missions. Although the people are faith-filled the needs are great. The distance between rural areas and deteriorated roads make it difficult for some communities to have Mass celebrated regularly. Let us join with our brothers and sisters around the world. Your support is vital as it brings new life into the world. When you contribute, you become an instrument of peace. If you would like more information www.usccb.org/latin-america and www.usccb.org/home-missions Our prayers and concrete gestures will help local churches, and churches across globe.

THANK YOU!

I want to formally thank Fr. Burke for his years of service and dedication to St. Peter's Parish. Throughout his years at St. Peter's he humbly asked for monetary donations to help support the church and archdiocese, a task he did not like to do, he made everyone that walked through the doors of our church feel welcome from the moment they walked in, as well as, thanking them for coming to celebrate with us and he always loved a good party, any gathering that brought the parish together. Fr. Burke's homilies were full of grace, the power of being forgiven and forgiving others, love and acceptance. It is unfortunate that we cannot give him a proper farewell but I wanted him to know that he is loved, he made a difference, and he will always be a part of our St. Peter's family. We wish you healthy and stronger days ahead and will continue to keep you in our thoughts and prayers. Enjoy your retirement and keep in touch!

Debbie Gottstine, Parish Council

Fuel Collection

Our annual fuel collection is the weekend of June 25th & 26th. It's thanks to your generosity in giving to this collection that we have the funds available to get the best discounted rates available. Red envelopes will be available in the rear of the church for those who don't use the envelope system.

Mission Appeal June 18th & 19th

Father Joseph Lin, a Vincentian priest, and Sr. Martina (one member of his team) will come to our parish to do a **Mission Appeal** on the weekend of June 18-19 in the name of the Chinese Province of the Congregation of the Mission. He would like to ask all parishioners to support the needs of ongoing formation for priests and nuns, through a program designed for pastoral leadership in China called "*The Chinese Leadership Initiative*" which aims at compassionate and collaborative ministry. Please consider giving a generous financial gift to this program. Thank you!

This is one of the first rides in the country to benefit mental health, and the hope is to end the stigma surrounding mental illness through education and awareness. Proceeds will go to McLean Hospital in Massachusetts, which is a Harvard Medical School affiliate, and which cares for people with all forms of mental illness, including anxiety, borderline personality disorder, depression, eating disorders and substance abuse. They also do much important research in this field. For more information and to register, please go to: <https://www.rideformentalhealth.org/>

Note from Sr. Dorothy

My Dear Friends at St. Peter's
I thank you for your love and prayers during these last six months. I am improving and ready to move from this floor up to the 3rd floor, as I require less care. Unfortunately, I had to move from my apartment to Sacred Heart. My new address is Sacred Heart, 1545 South Layton Blvd, Milwaukee, WI 53215-1924
Thanks again! My Love and prayers to all.
