**World Day for Grandparents**

The World Day for Grandparents and Elderly is July 24, 2022. The theme for this year's celebration is "In Old Age They Will Still Bear Fruit" (Ps. 92:15). The theme is meant to emphasize how grandparents are a gift both to society and the Church.

This year, Pope Francis is also extending the opportunity for a plenary indulgence "to the faithful who devote adequate time to visit, in presence or virtually, through the media, their elderly brothers and sisters in need or in difficulty" on July 24th.

**Rosary Altar Society**

Next weekend team *five* is scheduled.

**Miraculous Medal Novena after the 5:30pm Mass every Monday at St. Peter's**

**St. Peter's First Friday Adoration**

We certainly would like to continue the practice of Adoration of the Blessed Sacrament on First Fridays But it depends on you. Some people have already submitted their names and the hours they'll take. We want more—since we all have intentions to take to the Lord and there's no better time or place to do it than in front of him in the Eucharist on the altar. We invite anyone who may feel an interior movement to get closer to Jesus by spending more time with Him.

**Good News!!!**

**OPERATION CHRISTMAS CHILD**

OCC will happen at St Peter's. once again in November.

### ***Why is it so important that we register in a parish?***

Isn't it good enough that we go to Mass? Answer: Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled. Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish.
