Thanksgiving Food Drive

Jesus' command to feed the hungry is never more urgent for us than during the cold winter season that approaches. The Thanksgiving season adds to our need to be generous as we have been treated so generously by our God! One way we at Sacred Heart fulfill that command and give as we have been given is through our annual **Thanksgiving Food Drive**. Last year, our parish purchased over \$14,000 worth of non-perishable groceries for the East Central Community Center for distribution to the needy of southeast Spokane. That food fed families in need for much of the past year! Let us do as well this year, too!

Thanksgiving Mass

As last year, we will be celebrating our Thanksgiving Mass on **Thanksgiving EVE, Wednesday, November 22nd, 7:00 pm.**

Please feel free to bring the bread and wine you will be serving at home for a special blessing!

RCIA

Sacred Heart Parish will again be offering its annual program of instruction for those interested in knowing more about our Catholic faith and traditions and who might be also interested in joining our Church family through reception of the Sacraments of Initiation at Easter.

This program may be of interest to the unbaptized, or to the baptized non-Catholic Christians.

Please contact Deacon Brian Ernst at 324-6411 (his work number) or at brian@beemer-mumma.com.

What's Going On With That Dang Door?

Some of you have been asking about the main door on the east side of the vestibule that has been closed now for some weeks. Well, the problem is that the hydraulic pump beneath the door that keeps it from slamming has worn out after almost fifty years of opening and closing. We have a local repairman rounding up the parts needed to get it back in working order, but it is now old equipment and it is taking a while...actually much longer than we had hoped.

We apologize for the inconvenience, but we are working on it! We can't leave the door unlocked because without the hydraulics working, the heavy door slams shut and could do serious damage to someone's fingers...**OUCH!!!**

A Word from Father

Dear Friends,

Let me share with you this weekend a few thoughts about the wonderful Catholic school we share with Saint Augustine and Cathedral parish, Cataldo.

If you are not a Cataldo parent, you might not know that over the past several months there has been a major change in how the school is governed. For some seven or eight years the school had been governed by a lay-board consisting of up to fourteen persons, including one of the three pastors. This was established following some financially tumultuous times and there were good reasons for going that direction, unusual as it was for an elementary school in our diocese.

Concerned about the parish identity of the school, Bishop Daly mandated last spring that the ultimate governance of Cataldo should return to the three pastors involved in the school. The former school board was legally transformed into the new Board of Governors consisting of Fathers Mee, Connall, and myself. Once established, the Board of Governors set up a new School Advisory Committee made up of parents representing the various parishes as well as a new Finance Committee. Representing Sacred Heart on the School Advisory Committee are *Molly Hughes*, a long-time Cataldo teacher and former Vice-Principal, and *Sarah Nicolarsen*, parent of two young daughters in the school. Representing Sacred Heart on the new Finance Committee is *Aggie Patterson*, also chairperson of our own Finance Council and a CPA now working for Catholic Funeral Services/Holy Cross Cemetery.

It has taken several months to get these new advisory and governing bodies up and running and we are still learning as we go, but things are taking on good shape. Overall, I am really very pleased at the progress we have been making on all fronts. Fathers Mee, Connall, and I have been developing our new working relationship with one another, with the school administration, and our new committees. The three of us have a trusting and respectful relationship, which makes discussing the issues of the day and making needed decisions a very positive experience. We've been putting in a lot of hours in meetings and consultations that we didn't have before the new arrangement, but it has been worth it as we strive together to make Cataldo the best Catholic parochial school it can be for the good of our wonderful Cataldo kids. I know that Father Mee and Father Connell join me in feeling plenty of gratitude to our teachers, administrators, and parents for their patience, respect, and great concern for the school and its mission. With so many children, so many parents, so many teachers and administrators involved in the Cataldo community there will always be issues to be resolved, concerns to be addressed, and great goals to be achieved. Working *together* on these things with hope, faith, and love is the challenge of this day and every day as we form the next generation of Catholics and parishioners!

Have a blessed week!

Fr. Kevin
