Nutritious Meals help Children grow healthy in Guatemala

In Santa María Chiquimula, Guatemala, over half the community is affected by malnutrition. Amid rising food prices and job loss, Ana Belén and her husband were struggling to provide for their growing family. But they saw a ray of hope through their participation in a Catholic Relief Services' program that helps them ensure their children are healthy and have the nutrition they need to thrive and play. The Pastor's

Dear Friends,

On Tuesday we celebrate the Solemnity of the Annunciation of the Lord. This is the day we remember that the Archangel Gabriel appeared to Mary and asked if she would be the mother of Jesus, the Son of God. The world waited for a Savior, and for this to happen it hinged on Mary's acceptance. God announces the Good News in the most unexpected places and, often, through the most unexpected messengers! Stay attentive this week to whom God may send to inspire, challenge, or encourage you. Don't miss out!

May we all, like Mary, give our "yes" to God and be blessed with the help to do God's will so we will magnify the Almighty in all things.

Opening our hearts to God's will is a daily occurrence; it is never something that is "once and done." The bigger decisions we are invited to make often take much time to discern. That is why this week-end's Gospel that speaks about the parable of the fig tree is of great importance and worth holding on to. The patient gardener can remind us of our potential growth that will bear fruit in the future.

Wishing you all a blessed week and continued blessings on your Lenten journey, which is now at the midpoint of the season of Lent.

Fr. Vic
