Our Mission Statement

We commit ourselves to implementing dynamic evangelization programs to enlighten people in the Christian faith and values, recognizing and identifying the needs of the local larger community and to reach out and address them through meaningful service, and fostering unity and enriching the unique gifts of our dynamic multicultural communities of the Lower Eastside. We are a multicultural community rooted in the Catholic faith, ministering to diverse neighborhoods, on a pilgrimage towards the fullness of life.

Baptism:

2nd Saturday of the month

Congratulations on the birth of your child! We, with you, thank our Gracious God for the gift of your child. We thank you for bringing your child to be baptized into the Catholic faith.

Parents

Because of the natural relationship, parents have the most important role in the Baptism and life of their child. You along with God, co-created a human life and now seek to have your child as a member of God's Church. You are accepting for your child, the rights and privileges, as well as the obligations, of Roman Catholics. Therefore, it is imperative that you raise your child as an active member of God's Family, that is the Church. After the celebration of the Sacrament, it is the responsibility of the parents, in their gratitude to God and in fidelity to the duty they have undertaken, to enable their child to know God, whose adopted child they have become, to receive confirmation, and to participate in the Holy Eucharist.

Family Prayer

Spend time together as a family praying for our nation, remembering those who gave their lives to save others, and praying for our country in this important election season.

FROM THE PASTOR'S DESK**Being with God**

We, as Catholics, have a very wonderful tradition of using the ringing of bells to remind us to pray. A good example would be the ringing of the bells for the "Angelus" which reminds us of the Annunciation. We pray it as the day begins and at noon (midday) and at end of the day, when it gets dark. These would have been good times for the Annunciation to take place. Praying the Angelus gives us the sense of the acceptance of Jesus in our own life, similar to Mary's acceptance with her words, "Behold the Handmaid of the Lord, be it done unto me according to thy word." The tradition is that bells ring at 5 AM to begin the day, 12 Noon, to take a break from work, and at 7 PM to remind us to return home and pray with the family. It is a very old and interesting tradition that keeps us in touch with God and sets our social life in order. We got up early and took a break from work at noon. The evening bells reminded us that all should be at home by 7 PM, especially children. At 8 PM everyday there were bells for the dead as well as for the elderly, who may have been delayed in returning to their home. If the children or the elderly did not come home at the ringing of the bells, there was uneasiness. There were also bells at 3 PM every Friday, proclaiming the death of Jesus, who gave us His life. Those bells helped bring up our family spiritually and socially. We priests pray the Breviary at different hours of the day, but the faithful prayed when they heard the bells, which carried the message of life and death in the community. It is not a Catholic tradition to ring the bells at every hour of the day. We are not the time keepers of the world; we keep God's life alive in our communities. Our families will have life if we remember to pray the simple prayers, whether the bells ring or not. These are our centuries-old traditions. Let us keep to them as long as we can, with the Rosary as the crowning jewel of the day. May God be our direction to make our lives reflect our inner beauty and faith!

REFLECTIONS

Mystery can never be mastered by anger or pride, not with success and prosperity, not even with academic learning and syl-logistic reasoning... Anger and pride deprive us of delicacy and concern, so necessary to approach any mystery in life... Learning and reasoning deal so much with what can be controlled that the intuitive and the marvelous are overlooked...

Success and prosperity so involve us in materiality and in worldliness, that our sense of the *other-world* or *inner-world* is blurred and denied...

The Second Collection this week will be for the support of our parish. Please be as generous as possible.

This week we will have the second collection in support of our parish. This collection will be taken on weekends that the Archdiocese does not have a collection. There will be envelopes at the back of the church for this purpose and you can put your number on them for the tax deduction purpose. Thanks for your kind generosity.

Anyone who needs to report an alleged incident of sexual abuse of a minor by a priest, deacon, religious, or lay person serving in the Archdiocese of New York is asked to contact Sr. Eileen Clifford, O.P. at 212-371-1000 x2949 or Deacon George J. Coppola at 917-861-1762.

Both may also be reached via e-mail at

victimassistance@archny.org. Information can also be found on the Archdiocesan website, www.archny.org. In keeping with the Archdiocesan policy regarding sexual abuse of minors, this information is provided to ensure that our children remain safe and secure.

The Mass book will be available also in the Sacristy after masses. However, all must fill the forms so that we can have proper record for the Church reference. We thank you for your cooperation.

DEL ESCRITORIO DEL PASTOR

Estar con Dios

Nosotros, como católicos, tenemos una tradición maravillosa de utilizar el repique de campanas para recordarnos a orar. Un buen ejemplo sería el repique de las campanas para el "Angelus" que nos recuerda la Anunciación. Nosotros oramos como comienza el día y al mediodía (mediodía) y al final del día, cuando anochece. Estos habría sido buenos tiempos para la Anunciación a tomar lugar. Rezando el Angelus nos da el sentido de la aceptación de Jesús en nuestra vida, similar a la aceptación de María con sus palabras, "He aquí la esclava del Señor, ya sea hecho a mí según tu palabra". La tradición es ese anillo de campanas 5 a.m. para comenzar el día, 12 p.m., para tomar un descanso del trabajo y 7 p.m. que nos recuerdan volver a casa y orar con la familia. Es una tradición muy antigua e interesante que nos mantiene en contacto con Dios y nuestra vida social en orden. Nos levantamos temprano y tomamos un descanso del trabajo al mediodía. Las campanas de la tarde nos recordaron que todo debe ser en casa de 7 p.m., especialmente a los niños. A 8:00 todos los días había campanas por los muertos, así como por los ancianos, que pueden se han retrasado en regresar a su casa. Si los niños o los ancianos no vino casero en el repique de las campanas, hubo intranquilidad. También había campanas en 3 p.m. todos los viernes, proclamando la muerte de Jesús, que nos dio la vida. Esas campanas ayudó a nuestra familia espiritual y socialmente. Nos sacerdotes rezar el Breviario a distintas horas del día, pero los fieles oraron al oír las campanas, que llevó el mensaje de vida y la muerte en la comunidad. No es una tradición católica que suenan las campanas a cada hora del día. No somos los guardianes del tiempo del mundo; mantenemos la vida de Dios vivo en nuestras comunidades. Nuestras familias tendrán vida si recordamos a rezar las oraciones simples, si las campanas del anillo o no. Estas son nuestras tradiciones de siglos de antigüedad. Mantengamos a ellos como podemos, con el Rosario como la joya de coronación del día. Que Dios sea nuestra dirección para hacer nuestras vidas reflejar nuestra belleza interior y la fe!

El Libro de Misas para 2017 en Santa Teresa se abre Martes, 4 de Octubre. Las misas son a \$15.00 cada una. Por favor no llame ni vengan a la rectoría antes del martes para inscribir misas.

REFLEXIONES

Los misterios de la vida nunca se domina por la cólera o por el orgullo, ni con el éxito y la prosperidad, ni aún con el estudio académico y el razonamiento silogístico...

La Cólera y el orgullo nos quita de la delicadeza y la preocupación, así que lo necesario para acercarse a los misterios de la vida se olvida...

El Estudio y el razonamiento solo trata con lo que puede controlar en lo intuitivo pero lo maravilloso son omitidos...

El Éxito y la prosperidad nos implican en lo material y lo que ofrece este mundo, con eso nuestro sentido del *otro mundo* o el *mundo interior* es impreciso y negados...

La Segunda Colecta esta semana, será para el apoyo de nuestra parroquia. Por favor sea tan generoso como sea posible. Esta semana la segunda colecta es en apoyo de nuestra parroquia. Esta colección se tomarán los fines de semana que la Arquidiócesis no tiene una colección. Habrá sobres en la parte posterior de la iglesia para este propósito y usted puede poner su número en ellos con el fin de la deducción de impuestos. Gracias por su amable generosidad.

Cualquier persona que necesite reportar algún incidente de abuso sexual de un menor por un sacerdote, diacono, religioso/a, o laico sirviendo en la Arquidiócesis de Nueva York, se le pide que por favor contacte Hermana Eileen Clifford, O.P. al (212)371-1000 x 2949 o Diacono George Coppola al 917-861-1762.
