Pastor's Notes

Dear Parishioners,

We hope that you are staying safe and healthy. As we begin the first phase of reopening in Kansas and Johnson County, we wish to convey the early stages of reopening at Curé of Ars. We understand the desire that many of you have to celebrate mass together in our church. The implementation of the initial phase has not been taken lightly. Feedback from the Archdiocese, other Pastors and the responsibility of keeping our parishioners safe is driving our decision for a gradual reopening.

It is for the safety of all, that the Archbishop has continued the dispensation from the obligation to attend Mass on Sunday stating,

“So Catholics do not feel compelled to attend Mass during the ongoing pandemic, the dispensation given from the obligation for Catholics to attend Sunday Mass will remain in effect until it is safe to revoke it.”

He went on to say,

“Persons with higher vulnerability, for personal safety reasons, are strongly encouraged to take advantage of this dispensation and refrain from attending public Mass.”

I am convinced that the option of using the dispensation from Mass is the best policy for all. The larger the gatherings we hold, the more likely it will be that infection for some will follow. One need not have an illness or feel sick to excuse himself from attendance at Mass during this time of the dispensation.

With this guidance in mind, we have decided that Curé of Ars will initially offer both Mass and Communion with attendees remaining in their vehicles in the parking lot starting May 23 and 24 for weekend Masses. Further information about times and guidelines for attending will be sent by email and posted on the church website (cureofars.com). We will continue to offer streaming services online for daily Mass and weekend Mass for those who prefer to watch from home.

Like most of you, we want to be able to hold Mass in the church with the congregation present with us, but I believe that the recommendation of the Archdiocese offers the greatest opportunity for assuring safety for those who long not only for Mass but for Communion as well. The opening of Masses within the church will continue to be evaluated as the guidelines from the Archdiocese, the county and the state are updated. Each church in the Archdiocese has unique challenges due to building and facility differences and we will continue to consider these factors at Curé. We appreciate your patience and understanding as we navigate through the phases of reopening.

Let us all pray for the development of a vaccine effective against Covid-19, as well as, for all who have been affected by this disease. Although we are physically distanced, we remain spiritually united.

Stay safe and stay well,

Father Burger

FORMED has inspiring movies and video-based programs, audio presentations and e-books from the Church's most compelling speakers and authors. Our parish has invested in FORMED so that each of us might grow in our relationship with Jesus Christ and in our desire to share our Faith with others, especially those closest to us. **A PRAYER FOR
PROTECTION IN TIME
OF PANDEMIC**

O Mary,
you always brighten our path
As a sign of salvation and of hope.

We entrust ourselves to you,
Health of the Sick,
who, at the Cross, took part in
Jesus' pain while
remaining steadfast in faith.

O loving Mother,
you know what we need,
and we are confident you will
provide for us
As at Cana in Galilee.

Intercede for us with
your Son Jesus,
the Divine Physician,
for those who have fallen ill,
for those who are vulnerable,
and for those who have died.

Intercede also for
those charged with
protecting the health and
safety of others
and for those who are
tending to the sick
and seeking a cure.

Help us,
O Mother of Divine Love,
to conform to the will of the Father
and to do as we are told by Jesus,
who took upon himself our
sufferings and carried our sorrows,
so as to lead us, through the Cross,
to the glory of the Resurrection.
Amen.

Under thy protection
we seek refuge,
O Holy Mother of God.
In our needs,
despise not our petitions,
but deliver us always
from all dangers,
O glorious and blessed Virgin.
Amen.

Adapted from the prayer of
Pope Francis

Spiritual Exercises of Ignatius of Loyola

Many people are longing for spiritual development, a greater sense of interior peace, and a deeper, more meaningful relationship with God that integrates with their everyday life. The Spiritual Exercises are a framework of prayer exercises that help retreatants to experience spiritual growth, interior freedom, a deeper relationship with Jesus Christ, and to find God in all things. Join representatives from the Ignatian Spirituality Center of Kansas City for an overview of the Spiritual Exercises in Daily Life, hear stories about this dynamic experience of prayer, and ask questions of others who have completed the Spiritual Exercises and have found a deeper relationship with Jesus Christ. Please contact Stephanie Hudson, ISC-KC Program Coord., at shudson@ignatiancenterkc.org or call 816.381.9168. This event is free, but reservations are appreciated at www.ignaitancenterkc.org

St. Mary's Food Kitchen

Please provide food which will go into sack lunches. Curé of Ars' next time to serve is **May 18th**. There still several items we need...please help. Go to <https://cureofars.com/st-marys-food-kitchen> to provide food items. If you prefer to make a monetary donation, there is a link on the sign up page. For more information contact Jacqueline Elbert at 816.520.3620 or smfoodkitchen@cureofars.com

Opportunities to Donate Blood

Due to concerns surrounding COVID-19, Cure of Ars is having to cancel their June 17th Blood Drive. Though this decision impacts your upcoming blood drive, CBC is urging healthy donors to make an appointment to donate at one of our seven donor centers instead. Please know, appointments are required. In order to maintain safe and controlled environments at our donor centers, we will not be accepting walk-ins at this time. Sign up for a time at <https://savealifenow.org/donate-blood/donor-center-locations-march-2020/>

Our center staff members are trained in universal precautions to help prevent the risk of spreading infections. Additionally, we are taking extra precautions to disinfect tablets and donor beds in between each use and to space out chairs and beds whenever possible to avoid unnecessary contact. Staff and donor temperatures are taken upon arrival and all staff are wearing face masks. Donors are strongly encouraged to bring and wear their own face masks as well.

Your continued support is greatly appreciated. If you have more questions about COVID-19 and blood donations, please visit www.savealifenow.org/coronavirus.
