Holy Name of Mary is a Roman Catholic community of believers who are dedicated to know Christ and become Christ, each one, for the sake of all. As disciples, we are called to create an environment where God is worshiped and where we serve our neighbor. Our warmest welcome to all who celebrate the Eucharist with us! We thank God for your presence at Holy Name of Mary and we pray for you and your families.

From the Parish House

17 March 2019

Dear Fellow Parishioners,

Happy Saint Patrick's Day!!!! Although the New York City parade was yesterday today is the proper feast. St. Patrick is the patron saint of the Archdiocese of New York and reminds us of the tremendous impact the Irish have had on the city and on our local ethos. Like many other immigrant groups coming to the shores of America, the Irish too faced discrimination and hostility, but despite the "Irish need not apply" signs in stores and businesses, they battled the anti-Irish and anti-Catholic sentiments of the times and fashioned for themselves a place in society. When Archbishop Hughes decided to build the present-day cathedral, it was called "Hughes' folly" because the area at the time was rather rural. Now it is in the epicenter of the city, and hundreds of thousands of people visit it each year, especially around the holidays. What once was a 'folly' is now a powerful beacon whose spires point to God, and whose beautiful interior gives a serene respite to all who stop in for prayer and rest. Just as St. Patrick was a missionary, his cathedral continues his missionary spirit in the midst of an ever more secular world by reminding people of the spiritual dimension of our human existence. So enjoy your corned beef and cabbage, and thank God for the Irish (not that I'm biased in any way ...)

Speaking of St. Patrick, I would like to take this opportunity to thank the KofC and all those who helped to make our annual St. Patrick's Dinner such a great event. Irish food, Irish music and Irish dancing all helped to toast the Irish (and all of those Irish wanna-bes) with a festive evening of camaraderie and fun. *Erin go braugh*, one and all!

While the St. Patrick's dinner is a great fun raiser, it is also an important fund raiser as well. As you know, our revenues are going down, and while we are diligent in trying to rein in our expenses, we are still facing a significant budget shortfall. As much as I am extremely loathe to cut staff, the numbers forced my hand, so we have eliminated the position of Parish Secretary. The work will be distributed among the rest of the staff, who already have full plates to deal with. I want to publicly thank Carol Gorman for being our Parish Secretary these past few years. Carol was a warm and welcoming presence at the front desk, and as so many of you know, she was a comfort to talk with while getting Mass cards or conducting other business. Her laugh and her empathetic attention to each parishioner will be greatly missed. On behalf of the entire parish, Carol, I wish you the very best as you go forward, and success in whatever you undertake.

A parting chuckle: When Jackie Gleason was asked if he thought he'd make it to heaven, he said, "Under present rules, perhaps not. But I'm counting on two things: that God has a sense of humor, and that He grades on the curve."

With love and prayers,

Fr. Brian

Care for Creation 2019 Lenten Calendar * Created by St. Francis Xavier Environment Ministry

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
SUSTENANCE SUNDAYS	MEATLESS MONDAY	TALK ENERGY TUESDAYS	WISDOM WEDNESDAYS	TURNAROUND THURSDAYS	FISH & FOOTPRINT FRIDAYS	SUSTAINABILITY SATURDAYS
<p><i>March</i></p> <p>Let Sunday's quotes from St. Francis of Assisi's <i>Canticle of Creation</i> inspire a deeper appreciation for God's creation.</p> 	<p>4 Lent is a time to live more simply and with joy as we draw closer to our Creator God.</p>	<p>5 Reflect this Lent on where the energy you consume comes from & its impact on our world, especially on the poor. Try to use less energy & do things that recharge your spiritual energies.</p>	<p>6 Ash Wednesday</p> <p>"There is a nobility in the duty to care for creation through little daily actions." Laudato Si'</p> 	<p>7 Turn the tide on discarded single-use plastic bags engulfing our waters and littering our streets. Start bringing your own reusable bag now; by Easter, it will be a habit.</p>	<p>8 Challenge yourself to reduce your carbon footprint. Google "carbon footprint tracker". Track your consumption patterns. Start keeping a journal & update it weekly. Remember Fish Fridays for Lent.</p>	<p>9 Shop the Green Markets. Artichokes, asparagus, carrots, mushrooms, and spinach are at their peak in March and April. It's as "buy local" as you can get!</p>
<p>10 "May you be praised, my Lord, with all your creatures especially brother sun through whom you lighten the day for us."</p>	<p>11 A Meatless Monday helps your heart, and reduces deforestation and methane gas that results from raising livestock. See meatlessmonday.com</p>	<p>12 Do an Energy Audit this Lent. Replace the incandescent & fluorescent bulbs with energy-saving LEDs. Recycle mercury-laden fluorescent bulbs at Home Depot.</p>	<p>13 "The world is charged with the grandeur of God." Gerard Manley Hopkins</p>	<p>14 Avoid buying bottled water. Only 12% of bottles are recycled. Fill a reusable water bottle the night before, so it's ready to go in the morning.</p>	<p>15 Go deeper with the footprint tracker and view your consumption patterns from a spiritual perspective. Use the Jesuit Eco-Examen. Ecologicalexamen.org</p>	<p>16 Refrigerator Rescue. Don't throw out those leak tops or mushroom stems. Wash and freeze them and add them to soup stock for soup.</p>
<p>17 "Be praised, my Lord, for sister moon and the stars: clear and precious and lovely they are formed in heaven."</p>	<p>18 You want to do meatless Monday, but need a little protein with your pasta? Add a can of drained tuna to your tomato sauce just before serving.</p>	<p>19 70% of NYC's greenhouse gas output comes from buildings. Lower the thermostat in winter and raise the temperature on you're a/c in summer. Adjust clothing accordingly!</p>	<p>20 "...the most comforting speech in the world is the talk that rain makes by itself." Thomas Merton</p>	<p>21 Need another reason to bypass bottled water? Some bottling companies are trying to take over community water supplies to the detriment of those who live there.</p>	<p>22 Consider composting. If your building doesn't collect compost, bring your food scraps to a green market or other site: grownyc.org/compost.</p>	<p>23 Read an environmentally-themed book to a child. Good Reads has recommendations for all ages.</p> 
<p>24 "Be praised, my Lord, for brother wind and by air and clouds, clear skies and all weathers by which you give sustenance to your creatures."</p>	<p>25 Having fish instead of meat tonight? Check out the sustainability of the various fish or seafood species at seafoodwatch.org</p>	<p>26 SWITCH! Reduce your carbon footprint dramatically by switching your home electricity to a sustainable source. Consult Metro NY Catholic Climate Movement mnyccm.org</p> 	<p>27 "My work is loving the world. Here the sunflowers, there the humming bird - equal seekers of sweetness." Mary Oliver</p>	<p>28 Be grateful: NY's ban on styrofoam is now in effect, with a 6-month grace period ending 6/30/19. Now let's support a plastic bag ban! Call your legislators.</p>	<p>29 Have you ever considered buying carbon offsets when you fly? The offsets are used to plant trees in places vulnerable to climate change. It's a first world-third world payback.</p>	<p>30 Love of nature & the threat by the industrial world are themes in the works of J.R.R. Tolkien. Visit the blockbuster exhibit on this visionary at the Morgan Library.</p>
