Holy Name of Mary is a Roman Catholic community of believers who are dedicated to know Christ and become Christ, each one, for the sake of all. As disciples, we are called to create an environment where God is worshiped and where we serve our neighbor. Our warmest welcome to all who celebrate the Eucharist with us! We thank God for your presence at Holy Name of Mary and we pray for you and your families.

FIFTH SUNDAY OF LENT

First Reading: Jeremiah 31:31-34

The Lord comforted his people, who were exiled to Babylon, by telling them of the new covenant he planned to make with them. The Lord declared he would write his law upon their hearts, and that he would forgive their evil and forget the sins they had committed in the past.

Second Reading: Hebrews 5:7-9

Though God could have heeded his Son's prayers and spared him suffering, Jesus accepted his Father's will. Through his suffering, he learned obedience and became the source of eternal salvation for all people.

Gospel: John 12:20-33

Jesus was afraid of the suffering he knew he must face. Yet he explained just as a grain of wheat must die to be harvested, he had to face his hour of suffering to glorify his Father's name. Jesus explained that once he was lifted from earth, he could draw all people to himself, lifting them to eternal life.

From Fr. Nelson

March 21, 2021

Numbed out

This pandemic isolation has placed us in deep freeze, all wrapped up in ice. From deep within our hearts we try to break the ice and call out, "I am here, can't you see me can't you hear me? Please do not identify me with my mask. I am not my mask." We look out from the windows of our being and ask the question "Is anybody out there? Where has everybody gone?" Like the snowman we have all played around in the winters of life. We have now become the snowman, but there is still a prisoner in there that longs to melt in the warmth of love, caring and understanding. Nobody seems to be at home for us and we are not at home to anybody. Where is the laughter? Where is the innocent splashing in the puddle? Where is the neighbor, the family and the community? Do I belong? Will I become...?

We must fight this feeling of perpetual numbness and be human once again. It is time to put away our winter clothing and lighten ourselves a bit by feeling the warmth of our community, our church, our family and neighbors. It is time to awaken the sleeping child within us and bring back the laughter.

We can live in this world as victims, as if things are happening to us or we can choose to be in a world that is forever evolving, changing and in action mode. Forever evolving and moving from darkness to light. It is time for us to move on from being victims of all that is happening to us and transition into holding on to our inner strengths and to our faith that there is a God and thus bring about the world of action and evolution. We have to knock at the door of our hearts and ask the question "Is anybody there? Through the iciness of fears comes a still small voice answering us "I am here." That is the voice of our spirit; that is the voice of life waiting to reach out into action, into happenings and into living abundantly.

As we proceed into this season of lent that keeps before us the images of the crucifixion and the resurrection, let us remember that we all have passed through a number of crucifixions during the course of our lives. The crucifixion of Christ shows us we can either see ourselves as victims of our world and environment or willingly and actively see the meaning of the cross and embrace it. ("Take up your cross and follow me") We choose to follow Christ who walks before us willingly carrying the cross. There is no life without the cross, we can either choose to be victims or choose to be victorious. We learn to confront the cross without fear of the pain, the suffering and even death. We know deep within that this is merely transitory for we are beings that move from pain, suffering and death into immortality, eternity and perpetual love. Through the freeze and the numbness will life find a way, for with Christ we have the Way, the Truth and the Life?

Yours in Christ,
Fr. Nelson Couto

On March 16, Loaves & Fish delivered it's 10,000th meal during COVID.

Prior to the pandemic Loaves & Fish volunteers cooked and served community dinners at Trinity Church in Ossining. But with COVID we changed our model to meet our neighbors where they were: sheltering at home and anxious. On April 11, 2020 we began delivering our home-cooked meals to our guests' homes.

This ministry is a community-wide effort, with people coming together from all over, to be of service to our brothers and sisters for the sake of God. 90 cooks have volunteered their time, talent and treasure to cook nutritious meals over the last year. Many of our cooks live in Croton; others hail from Briarcliff, the Bronx, Buchanan, Chappaqua, Cortlandt, Irvington, Ossining, Peekskill, Pleasantville, Sleepy Hollow, Tarrytown and Yorktown.

Donations from Holy Name of Mary parishioners and other members of the community have enabled us to purchase ingredients and the 'take-out containers' in which the meals are delivered. Loaves & Fish also partners with two Ossining-based non-profit organizations: Gullotta House coordinates the delivery drivers, and the Ossining Food Pantry provides bags of groceries that are delivered along with the home-cooked meals to our neighbors in need.

Loaves & Fish was founded by Holy Name of Mary parishioners in 1993.

Eagle Scout Project: Fencing & Benches for the Good Shepherd Chapel Court

My name is Mitchell Considine. I am a Life Scout in Troop 28 Croton who is working on his Eagle Scout project. My project will entail the installation of new fencing and benches by the basketball court at Good Shepherd Chapel on the corner of Benedict Boulevard and Young Avenue. This will help get the court ready for CYO use for practices and games, as well as for recreational use by the community.

This project will complement the ongoing court renovation that the Church is undergoing, creating a more pleasurable experience for both players and onlookers. The fencing will also help keep the basketballs from rolling into the street, as it is going to be extended and will be closed off in the corner, which was a safety issue. In total, the cost of funding this project is approximately \$4,800. This is because the fencing will be about 200ft long and set in concrete. Also, the benches will be aluminum 15ft team benches with backs.

As a part of my responsibility for leading this project, I need to raise the funds to cover the entire cost of the project. So, I am asking for your help. If you would like to donate, please see the details below. Overall, this will be a project not just for the Holy Name of Mary Parish, but for the community as a whole. Thank you very much, and please contact me with any questions.
