Holy Name of Mary is a Roman Catholic community of believers who are dedicated to know Christ and become Christ, each one, for the sake of all. As disciples, we are called to create an environment where God is worshipped and where we serve our neighbor. Our warmest welcome to all who celebrate the Eucharist with us! We thank God for your presence at Holy Name of Mary and we pray for you and your families.

Reflection

It is unlikely that there is an actual stream of water flowing out from this church we worship in. If there is, we may need to look for a busted pipe! But as we leave this celebration of the Eucharist today, we can be that life-giving water flowing from this church building. Since the Spirit of God dwells in us, we are able to bring the presence of God from this gathering to whomever we encounter throughout the week. On this day when we celebrate the dedication of the mother church built in Rome, we rededicate ourselves to building up the kingdom of God here in the shadow of our own parish church, aware that both celebrate their foundation in Jesus Christ.

At this time in our country, shifting demographics, shrinking Mass attendance, and other factors have led to many church buildings closing or consolidating. This has been emotionally difficult for many faithful. Today's feast can remind us of two things. First of all, no matter what building we gather in, we are still part of the universal church, a Church that began with no buildings at all and lasted centuries before members could worship publicly. Secondly, as Saint Paul reminds us, we are God's building. We are each a temple of God, with a foundation in Jesus Christ and the Spirit of God dwelling in us. May we see in both ourselves and our neighbor that holiness that comes from God's presence within.

In today's Gospel, Jesus refers to his body as a temple, confusing the authorities because they assume that he is speaking of destroying the Jewish temple. But keep in mind that this dialogue occurs after another action of Jesus': the cleansing of the temple of whatever didn't belong. We too must clean the temples of our bodies from whatever doesn't belong, for instance the "marketplace" of our secular culture, which judges everything by its material worth. Since this way of thinking can unconsciously seep into our lives, we are challenged today to cleanse ourselves of making financial matters our overriding priority. After all, if we are temples of God, we should not have "marketplaces" within us
