SPIRITUAL COMMUNION

My Jesus,

I believe that You are present
in the Most Holy Sacrament.

I love You above all things, and
I desire to receive You into my soul.

Since I cannot at this moment
receive You sacramentally,
come at least spiritually into my heart.

I embrace You as if

You were already there
and unite myself wholly to You.

Never permit me
to be separated from You.

Amen.

A Note from Father Robbins..

Dear Friends in Christ,

I would like to say "thank you" to one and all for the very warm welcome that you have given me! So many of you have said, "thanks for coming to us." Let me, then, extend to you the same greeting: "thanks for letting me come to you." This is, definitely, a match made in heaven.

Quite a few have inquired about Fr. Staar, our pastor emeritus. He is doing well under the circumstances. I know that he is grateful for your continuing love and prayers.

I have come to realize that there are a number of "projects" that need to be tackled in order of priority. I have had some meetings and can assure you that you should be able to see some progress in the coming weeks.

1. There are three trees which are a present danger to the stability of the rectory. We are getting bids on their removal and it should happen sooner rather than later. *(If there is anyone who has old photos of the rectory, I would be grateful to see them or to have copies made. I am told that the rectory could be as old as the late 1800's and was probably of a "salt box" design.)*

2. The church building, itself, is in need of a new roof and attention must be paid to the wood shingling on the sides. While it is always treacherous to promise too much, too soon, I have hope that both projects will be tackled this summer.

3. The wheelchair access ramp to the church is a complicated situation. For every inch of elevation needed for the ramp, we need a foot in length. This will require some serious planning since we will need to redirect the direction of the incline. I understand how this is a priority and we will move prudently and in complete observance of the ADA requirements.

Enough for now. Fr. Staar's long illness may have slowed down some of the momentum but with the good weather months ahead of us, we will begin to move. Of course, thanks for your generosity which will make this all possible!
