## Fifth Sunday of Easter

Today, in the Gospel from St. John the Evangelist, Jesus professes, *I am the vine, you are the branches*. In this beautiful imagery, Jesus represents the vine that produces the gift of life and salvation for His beloved disciples, the branches. In his First Letter, St. John urges us to follow Christ's directives and live in Him by loving one another. In the Acts of the Apostles, St. Paul shows us that faithful disciples are not afraid to witness *in the name of the Lord*. Jesus invites us into a personal relationship with Him through the Eucharist. If we open our hearts to

this invitation, our joy cannot be contained. In turn, we will spread this joy by proclaiming Jesus to those we encounter, planting seeds to bear "good fruit" for the Kingdom. Please remember to share your love of the Lord with those you meet.

#### Celebrate National Nurses Week

The American Nurses Association recognizes National Nurses Week starting May 6 and ending on May 12 to celebrate the birthday of Florence Nightingale and her contributions to the nursing field.

It seems rather fitting this year, especially during the covid pandemic, to honor nurses for their tireless work and dedication to the care of others.

Special thanks to our Health Ministry team for all they are doing to provide health information and classes to our church family.

**Show your appreciation to a nurse who has made a difference in your life. Celebrate with a gift or a thank you note to recognize the kind and compassionate nurses in our community.**

Dear Jesus,  
I thank You with all my heart for the blessings poured out upon me through the gift of Baptism. I ask You to send Your Spirit upon me to keep my mind and heart open to Your plan for my life. I pray for an increase in all vocations to the priesthood and religious life. I especially pray for this seminarian. Keep him close to You, and fill him with a zealous love for You and for Your people. Strengthen and encourage him to be attentive to Your Word and obedient to Your will. We ask the intercession of Your blessed mother, Mary, to form him in Your divine image, by the power of Your Spirit, to the glory of God the Father. Amen.

### Rosary/Chaplet at the Flag Pole

Join The Knights of Columbus in praying the Rosary and Chaplet of Divine Mercy **Saturday, May 8th at 12:00 p.m.** at Holy Family by the Flag Pole. The Rosary will begin promptly at 12 noon.

Join us as we pray for our country, our Church and for the intentions of the Knights of Columbus.

Blessed Mother invites us to pray, pray, pray as she has shared in numerous visitations. Number three of the 15 promises of the Rosary is, *"The Rosary shall be a powerful armor against hell, it will destroy vice, decrease sin, and defeat heresies."*

<http://themotholyrosary.com/15promises.htm>

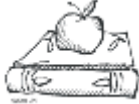

The rosary has worked miracles and is a powerful tool against the unrest and the evils in the world. Continue to pray the Rosary, every day, until we meet together at the flag pole. See you there!

## Catholic Schools and Spiritual Growth

As a teacher, I am very grateful to have the opportunity to work in a Catholic school. Catholic Schools offer opportunities for spiritual growth for the staff, students, and families. You see, I worked in a public school for a short time. During that time if a student brought up God in a discussion, we had to change the subject and not talk about God. Therefore, spiritual growth in a public school is very limited. I'm not saying it doesn't happen, however, in my experience spiritual growth was very stagnant for all.

I love St. Augustine Catholic School. Here staff, students, and families can grow spiritually. While in school we pray together and for each other everyday. We always try our best to love, forgive, and treat our neighbors as we ourselves would like to be treated, just like Jesus taught us to. While doing this, we grow spiritually.

At a Catholic School students have access to priests. St. Augustine's priests are active in the school. For example, you may see Father John greeting students in the parking lot in the morning when students arrive, or Father Phil volunteering for lunch duty when the school was in need, or Father Phil leading the student body in a walking rosary around the schoolyard. Father Phil and Father John provide Mass for the students during the week. Students can prepare and make their sacraments at school. We grow spiritually when we participate in Mass and the sacraments.

Students can grow spiritually when they are actively thinking about their faith. They have Religion class daily. Sometimes students have questions that I am not so sure how to answer, but because we have access to priests, we just have to ask Father Phil to come into the classroom and answer the questions for us. As busy as he is, he finds the time to visit. Some questions students asked were: "Why can't girls become priests?", "Why do priests wear black?", "If someone goes to hell when they die, can they ever get out of there?", "Is it a sin to believe in bigfoot?", "Is it a sin if you hurt someone while protecting your family?", and "Why do bad things happen to good people?". When students get answers to the questions they wonder about their faith, they grow spiritually.

Catholic Schools are a place where spiritual growth takes place. It takes place in the parking lot, playground, classroom, cafeteria, hallways, in subject matter, Principal's office, and the Church. Most importantly, it takes place in the hearts and souls of our staff, students, and families. In a Catholic School spiritual growth is never stagnant. It is always growing.
