From Fr. Mark Livingston

“You gave your children good ground for hope.”

There are weeds everywhere! This doesn't always mean that individuals and people are weeds, but even within our own hearts as we try to serve the Lord, we can encounter difficulties, disappointments and wounds. We need to place our hope in Jesus and his divine economy (his grace and plan, the Blessed Virgin Mary, angels, saints, etc.). One of the Hebrew words for hope is *Tikvah*. One of the meanings of this word is “thread.” Have you ever said, “I’m hanging on by a thread, here!”? Let the thread you’re holding onto be Jesus and all will be well, even if it’s the thinnest of threads. His light will dispel all darkness and we will begin to see again. Pray, pray, pray. There is wheat everywhere too, by God’s help and grace!

I have been assigned as the Administrator at our Family of Parishes. People have been asking me two primary questions: (1) what does it mean to be an Administrator and (2) where are you living? I have answers!

First, “What does it mean to be an Administrator?” Monsignor Halfpenny was the Temporary Administrator of the Family. He was here, from start to finish, with the understanding that he was here on a time-limited basis to assist our parishes in the interim period until they assigned a new Administrator and

Pastor. Monsignor is a mentor, brother and friend of mine and I was so happy to be with him at Shrine and now to come to our Family after him. I am grateful to him for everything he has done for our Family.

As the Administrator, this is the Archdiocese’s newer way of assigning Pastors, especially priests who are new pastors. We are placed at a parish as “Administrator” for one year before being officially named “Pastor” as a way to observe the right “fit” and to give all of us a chance to ease into our family relationship together. I have been informed that this will likely be a long-term assignment for me and I am very happy about that! My hope and goal is to do whatever God tells me to do ... and my private desire is to be here, in our Family, for many years as your pastor. So, the concept is the same, whether discussing Administrator or Pastor, but think of this as the initial phase of becoming pastor.

The answer to the question, “Where are you living?” is a bit more complicated. I keep telling people, “My heart, prayer and office hours reside at all three places equally ... and I will be physically living at Holy Family.” Sometimes there can be mixed feelings about this. There can be hidden thoughts and feelings behind that question that might even hit a wound. There can be an unspoken question asked between the

lines, “Are you going to love me/us as much as the others, or will I be forgotten among the many obligations and other family members?” I will always do my best to be present with you and love you. You are lovable so it won’t be that hard! LOL! I have an understanding love for each and all of you that change can be difficult. Sometimes it’s very welcomed and other times it can bring up some serious and legitimate questions, maybe spanning back to past hurts and wounds in the parish or in families. Just know that I have the good of all in mind as we serve and worship God together and love our neighbor as ourselves.

We are one family in geographic location, in the Faith, and in the human family. Driving to St. Mary’s the other day, about ¾ of the way to the church, I saw a St. Augustine Festival lawn sign at a house. Where does one parish begin and the other end? We are all in the same boat; many are farmers and all are hard workers and show great kindness. We may have a shortage of priests, but not a shortage of hope, hospitality and love with God. Let’s always think, talk about, and pray for our different church communities within our Family with great affection and ready to lend a helping hand to the one in need. Let’s pray for each other constantly!

God bless,
Fr. Mark

(PRACTICING) CATHOLIC

By Colleen Jurkiewicz Dorma

The Catholic Bubble

There's a dangerous myth that exists among pockets of faithful, observant Catholic families. I call it the Legend of the Catholic Bubble.

Here's how the legend goes: you find a devout Catholic parish and a devout Catholic community filled with devout Catholic people who care about devout Catholic things, and you stay away from everything and everyone else, you and your children will be safe from the influence of the evil one. Your children will never fall away from the faith, or even be tempted, and your own faith will stay steel-strong amidst the many tempests and trials of this earthly life.

But like the Loch Ness Monster and the Abominable Snowman, it's all made up.

Don't misunderstand me: I love a good devout Catholic parish. I live for a supportive, devout Catholic community. It's one of the biggest blessings in the Christian life, and I cannot overstate how helpful it is to raise children in an environment that upholds your Catholic faith and does not denigrate it.

But. But.

Make no mistake: the Catholic Bubble will not save you. The trials and the temptations will find you there, too: on the parish council, at Catholic school, in your Catholic moms' group. No community on earth is so supportive that it mimics Heaven. The weeds have been sown with the good seed, and the harvest time is not yet upon us.

Cherish your community, certainly — but beware of the lure of the Catholic Bubble. We are called to be yeast in the loaf of bread, and yeast is nothing on its own.

"And the one who searches hearts knows what is the intention of the Spirit, because he intercedes for the holy ones according to God's will." — Romans 8:27

Traditional Indian Welcome for Fr. Mark

It is customary in Indian culture to welcome someone with a prayer shawl and blessing.

Fr. Kishore recently welcomed Fr. Mark by draping a prayer shawl around him and offering a blessing over him at St. Mary Mystical Rose. It was a beautiful exchange between our beloved priests.

Meet and Greet with Fr. Mark Livingston 6:30 pm

(see dates and locations below)

Our new Priest Administrator, Fr. Mark Livingston, wants to meet you and enjoy some fellowship together.

Please come to a Meet and Greet to say hello, enjoy some refreshments, stay for a brief presentation, and have an opportunity to ask questions.

Here are the locations, times, and days:

**St. Augustine
Wednesday, July 26th**

**Holy Family
Wednesday, August 9th**

We'll begin at **6:30 pm** with fellowship and light refreshments, followed by a presentation in the church at **7:00 pm**.

Fr. Mark hopes to see you there. If you can't make it, no worries, he hopes to meet you at Mass or other Family events soon! God bless you.

The Community Pantry at St. Mary Mystical Rose has been quite busy this year. Our current number of families being served every two weeks is about 70. On occasion, we will get an emergency request for food from a family in need.

Our pantry would not work without the support of St. Mary Mystical Rose and all the volunteers. We pick up donations from Target estimated between 400 and 500 pounds twice a week, and also pick up approximately 2,500 pounds in food donations from the Macomb County food program and Gleaners twice a month.

While our primary goal is to serve our clients, we do share with other pantries such as Holy Family, New Haven Pantry, Agape Center, Samaritan House, and Blessed Hope on 26 Mile. We cannot thank you enough for all you do to support the Community Food Pantry at St. Mary Mystical Rose.

St. Augustine Catholic School spreads the Good NEWS by Navigating a Christian course, Educating body, mind and spirit, Worshipping the Lord, and Serving others.

Go Saints!

St. Augustine 8th grade students share memories of their time at St. Augustine School. Each week through the summer, the bulletin will feature an essay or two from our newest alumni, the 2023 eighth grade graduates of St. Augustine Catholic School.

8th Grade Graduation Essay

By Briggs English
8th Grade Student

First, I would like to thank my parents. Before going to St. Augustine, I went to St. Annes. There it was crowded, and my parents didn't believe I was getting a good education. I wanted to stay at St. Annes but looking back, I am glad that my parents chose the better option.

In other news, my first year at St. Augustine would have been hard without Mrs. Viviano. When I first came here, I was very shy. Mrs. Viviano noticed that and introduced me to Ben, which led to me becoming friends with a lot more people. If it wasn't for Mrs. Viviano taking initiative I would not have met any of my friends, I may not even be here today.

I would like to thank Mrs. Kauffman for teaching us times tables and taking the time to keep them fresh in our minds. If we were taught them once and moved on we would probably be lost in math.

Even though Mrs. Grifka was only around for half of the year, she still taught us a lot. Mrs. Grifka was probably the nicest teacher I had had so far. After Mrs. Grifka left, Ms. Hampton and Mrs. Lenn took over. They did a very good job with Mrs. Grifka leaving and the pandemic hitting. They both handled the pandemic very well. They had us do science experiments from home and send pictures in.

The next year was tough with the pandemic still going on and having to wear masks. With all those difficulties, the teachers were still able to teach us.

The next year was different to say the least, with two teachers leaving a month before school started and having many new teachers. Each of them were very good. There were two who stood out however. Ms. Savoyard and Mrs. Lenn. Ms. Savoyard was supposed to retire after sixth grade but she stepped up when they couldn't find a math teacher. Mrs. Lenn also stepped up and became the science teacher on top of being Principal. Mrs. Eisen and Mr. Austin also made learning English and Religion fun, something no other teacher could.

This year, I would like to thank Mrs. Eisen. She stepped up this year and taught science along with English. She has also done a phenomenal job as our home room teacher. As our home room teacher, she organizes all of our graduation things and she has done a great job in doing so.

I would also like to thank Mrs. Solomon. She started the year as being our substitute, but after they couldn't find a new Social Studies teacher, she took initiative and became our new teacher. Mrs. Kliemann stepped up and became our Religion teacher this year. Mr. Austin made learning about our confirmation fun. I feel Mrs. Chrcck brought us together as a class. And Ms. Savoyard stayed another year and made learning math fun.

Overall, I would like to thank the whole staff of St. Augustine for making this year and all the previous years the best experience they could.
