NOTE: Before the baptism can be scheduled the celebrant must approve your request to ensure no scheduling conflicts occur and that the baptism prep has been completed.

____ Approved: Father Zach ____ Approved: Deacon Joe ____ Approved Other Celebrant

What are the requirements to receive the sacrament of baptism? There are only two primary prerequisites for a baby to be baptized: First, **at least one parent or caregiver must give their consent that the child be baptized**; second, there must be some indication that the child will be brought up within the Catholic faith. The child must also have at least one godparent or sponsor.
