### The weather is changing, its getting cooler!

On behalf of the children who will receive a coat this year, we would like to thank those who have donated so far. We received 520.00 last weekend for a total of 550.00 which is well over what we needed for two cases. Because of the extra money our parish will be able to give out coats to 48 children this year instead of twenty-four!!! This year we will help more children than we have in the past!

Let's not stop there! We can help even more children stay warm this year!

In the last few years, the joy on their faces when they receive their new coat is priceless!

Many children in our community don't have heat at home or very little heat and with the prices going up many will be suffering even more.

Please give generously! To make a donation, place your donation in an envelope and write in the memo, 'Coats for Kids'.
