

Middle School Net Nights

Middle School students grades 6-8 are invited to attend Net Nights. These nights include pizza, games, small groups, and prayer. You do not have to pay to attend these evenings, but we ask that you prayerfully consider donations to help cover the cost of the NET Team and food. NET Nights run from 4:00- 7:30 PM in the Great Room of St. Joseph's. If you have any questions, contact:
