Los tres grandes pilares sobre los que se construye la Cuaresma son momentos en los que podemos crecer espiritualmente, confiando en el Señor: la oración, el ayuno (sacrificio o mortificación) y la limosna (obras de caridad y misericordia). A través de todo esto les pido a todos ustedes dejar que Dios haga lo que mejor sabe: formarnos y moldearnos cada vez más en su imagen y semejanza.

- "Arrepiéntete y cree en el Evangelio".

*Magnanimous Musings of Fr. John Robert Skeldon*

Lent is upon us! The season of Lent offers us the opportunity to more intentionally come into contact with the Lord. It is a summons to *metanoia* (continual conversion, transformation and repentance). It is with magnanimity of heart and generosity of soul that we are summoned to enter into the wilderness where we come to rely on the Lord God and enter into a deeper relationship with Jesus Christ.

The three great pillars upon which Lent is built are moments where we can grow spiritually, trusting in the Lord: prayer, fasting (sacrifice or mortification) and almsgiving (works of charity and mercy). Through all of these I ask all of you to let God do what he does best: to shape and mold us more and more into his image and likeness.

You will notice at masses that there will be more moments of silence, quieter music and gestures which remind us that we are sinners in need of the magnanimous mercy of God. It does not lessen our intensity in worship though, but helps us to focus. So let us magnanimously enter into this sacred time with hearts and minds open.

"Remember that you are dust and to dust you will return."

"Repent and believe in the Gospel."

**Next Weekend**

This collection meets the needs of those who would bring the light of Christ's witness to the impoverished, the isolated and the despairing among the Black and Indian people. **Pope John Paul II keeps asking the faithful around the world to recommit themselves to their Catholic Faith. In this light, many wonderful evangelization efforts are being made. It is only through the constant generosity of the Church members that such wonderful events are realized. .The collection is now going on 120 years. In earlier years evangelization programs were centered mostly in the Southern and Mid Western States. As the Church grew in numbers and continues to spread over the entire United States...and that is good...the message of the Gospel of Jesus is getting better known.**
