FROM YOUR PASTOR'S PEN

2015 ARCHDIOCESAN CATHOLIC STEWARDSHIP APPEAL

"SEE WITH GOD'S EYES!"

Last weekend was the "kickoff" of the annual Catholic Stewardship Appeal. We heard a message from the Archbishop at all the Masses. The theme that is noted above identifies that we need to work at seeing the Archdiocese and the needs of people around us through the eyes of God.

This theme, "See With God's Eyes", is drawn from Pope Francis who said that true wisdom, the first gift of the Holy Spirit, allows us to "see" beyond the surface of things -- not through the imperfect lens or scope of our own reality -- but with profound, unblemished clarity and vision of which only God can provide.

Your donation to the appeal makes a great difference among 700,000 Catholics and many others who are served by your gift. More than 100 programs and ministries are funded by your donation. Through your gift, you, as an individual and/or as a family, really are able to have a tremendous impact on the lives of your brothers and sisters throughout the Archdiocese, fulfilling the mission of Christ by your generosity.

We need to give an intentional response to God's many blessings. Does our level of gratefulness match the level of God's giving to us? These are things to reflect on and pray over. I ask you to sincerely do that as you embark on this Lenten Season of self-sacrifice. We need to understand that money is needed to accomplish the mission and vision of Christ, and that the Church, the instrument of that mission and vision, is every bit as important a place to put our money as the shopping mall.

Your money is needed big time for parish service, ministerial formation, social outreach, education and family training, clergy services, and communication and development. Let's stand up for the good things the Church can and does do!

I want to invite you to think of your parish and then the Archdiocese of Milwaukee Catholic Stewardship Appeal as two of the first charities you support.

Thank you for your generosity to the
2015 Catholic Stewardship Appeal!

Fr. Ralph

LENTEN FAST AND ABSTINENCE REGULATIONS

The Catholic church asks each member to preserve the penitential character and purpose of Lent. For this reason:

A) Catholics who have celebrated their 14th birthday are bound to abstain from meat on Ash Wednesday and each Friday of Lent;

B) *Catholics who have celebrated their 18th birthday, in addition to abstaining from meat, should fast on Ash Wednesday and Good Friday. Hence, on those days they should eat only one full meal. Smaller quantities of food may be taken at two other meals, but no food should be consumed at other times during those two days, but liquids, including milk and fruit juices are allowed. When health or ability to work would be seriously affected, the law does not oblige. The obligation of fasting ceases with the celebration of one's 59th birthday.*

Catholics should not lightly excuse themselves from these prescribed minimal penitential practices.

Human Concerns Lenten Collection

It is a sign of our care for those in need and an expression of our gratitude for all that God has given to us when we practice almsgiving during Lent. As you pray about your Lenten almsgiving, please be aware that this Lent, our parish focus is on the following ministries:

Week 1 and 2: **Catholic Stewardship Appeal**, an annual campaign to support ministries and programs throughout the Archdiocese of Milwaukee. Each year, the Appeal affords Catholics a unique opportunity, by means of a single gift, to sustain a broad range of ministries and programs that significantly impact people's lives. Learn more about how the Appeal supports Catholics of all ages on their lifelong journeys of faith, during times of personal trial and hardship, and on occasions of tremendous joy and thanksgiving by visiting **www.archmil.org**.

Week 3, 4, 5: Envelopes will be provided in church for our parish ministries:

St. Clare School in Peru, our international ministry

St. Michael's and Reformation Lutheran, our Milwaukee sister parishes

Heavenly Babies Layettes, our community

Loaves and Fishes will be collected on designated weekends per usual.

More information about our ministries can be found on our parish website.

HUMAN CONCERNS

EACH and EVERY month 30-40 layette bags are prepared by our ***Heavenly Babies*** volunteers for 10 agencies in Waukesha and Milwaukee. These bags are created in support of mothers who have chosen LIFE for their child and who are struggling financially. Volunteers shop clearance racks, rummage sales, and thrift shops to find 0-3/3-6 month sleepers, onesies, receiving blankets and bibs to stock the layette bags which also contain towels/wash cloths, socks, jackets, toys, and books as well as a hand crafted blanket lovingly created by one of our parishioners. Dedicated volunteers create the bags by choosing clothing from the inventory in stock which they take home to launder and fold; they add a personal note of support and return to the parish office - *each and every month*! We also have people who drive these bags once a month to the various agencies. We welcome 0-3 or 3-6 month donations anytime as well as any new volunteers to this ministry. We do have a need for someone to contact the agencies each month to help us determine the number of bags to prepare; if you are interested in this or other aspects of our "baby shower in a bag", contact Ann Krumrich at 262-968-2716.

3K and 4K OPEN HOUSE AT ST. PAUL SCHOOL

The first Open House/Registration night for 3K and 4K is Tuesday. February 17. 2015. We have announced the new St. Paul School 3K Program at several weekend Masses. We are looking at our program to run like the 4K program. We would provide a half-day morning program five days a week and we would provide a full day program when the number of children reaches over 10. There is a curriculum guided by the Archdiocese of Milwaukee and Wisconsin Model Early Learning Standards. If interested in our three year old or four year old kindergarten program call school at 262-968-3175 to get a spot for 2015-16. We provide before and after school care programs. Spread the word to everyone you know with a three year old child or four year old. While you are at it, we are also interested in gently used furniture, playthings, and materials.

ALUMNI AND STUDENTS OF ST. PAUL SCHOOL SPEAK AT MASS

A special *thank you* to the alumni and students who spoke on the weekend of Catholic schools Week on January 24th and 25th. The students shared what St. Paul School meant to them and they thanked all of the parishioners for supporting Catholic education in the parish. We will share the speech presented by Meg Huenink and Abby Vavra, both attending Catholic Memorial High School.

"Good Morning Everybody! My name is Meg Huenink and I am Abby Vavra and we both are freshman at Catholic Memorial High School. Today we have come to talk to you about how St. Paul's school and church has impacted our lives.

St. Paul's gave us the courage to not be afraid to meet new people, it not only provided us with fantastic education, but they gave us the POWER to travel to High school and be successful.

Abby and I graduated from 8th grade with 6 girls. And I know, you may think ohh that is way too tiny, you need a bigger class to excel in your education. But for St. Paul's, it's not about how big the class sizes are, or how many boys vs. girls, it is about growing to trust and respect one another, it's about developing an education, living and preparing us for the life that God wants us to live. I am incredibly blest and thankful for the time that I got to spend at St. Paul's and I will never forget the amazing people and remarkable foundation that I was given." *(abbreviated for bulletin)*

Anointing of the Sick – Len Grassman – Pastoral Associate

The students at St. Paul School experienced the sacrament of the Anointing of the Sick. On Friday, January 30th after the 8:45am Mass Len Grassman, the Pastoral Associate, received the Anointing of the Sick in preparation for surgery. Len and his wife, Elaine, are great supporters of our school. This sacrament is celebrated when someone is ill, is going to undergo surgery, or at the end of life and can be received as many times as needed. Please keep Len in your prayers.

Remember your tax break this year!

Kid's Corner Fun Fact

What do you think about a saint that was imprisoned? Well, St. Adelaide was imprisoned twice – and both times she was innocent! Adelaide was married at the age of 16 to the king of Italy. After the king died – possibly of poison – the new king wanted Adelaide out of the way so he had her thrown into prison. A few years later, Otto, the king of Germany, rescued her from prison, married her and they had three children together. Queen Adelaide was a very wise woman and helped to rule the kingdom. When Otto died, her son Otto II took over. This was good until he died and his wife threw her back into jail because she was jealous of Adelaide. A few years after that, Otto II's wife died and the Adelaide was once again released. Crazy, huh?! During the entire time that she lived, Adelaide prayed and trusted in the Lord. She knew that, no matter what the world says, when you are free in Christ, you are free indeed (c.f. John 8:36). Even behind bars, Adelaide knew that she was free in Jesus – that means she knew that Jesus died for her sins and because of that gift, she was forgiven.

Creating a Catholic Culture

Who are your superheros? I have a slight partiality to Robin, myself. On the other hand, Sarah Daszczuk is rather fond of Batman. And last weekend the tenth graders spendt the weekend looking into and meditating on how to be a superhero in our faith. The answer to that question is Confirmation! Confirmation is one of the most misunderstood Sacraments in the Church. Confirmation is the Sacrament that **completes** what has begun in Baptism. It is not simply when a person chooses to be Catholic. It strengthens and fortifies you in the Holy Spirit with the gifts of the Holy Spirit (wisdom, understanding, knowledge, counsel, fortitude, piety and awe and wonder; a.k.a. fear of the Lord). With these gifts we are given the "stuff" to become spiritual superheros or saints. The saints are really even better than the superheros because they really lived and had lives just like you and me. They really struggled – many of them more than you or I can fully understand. Furthermore, nobody really keeps pictures up of the superheros from 400 years ago – but there are many a house where you can find images of our spiritual superheros – the saints – from 400 years ago (and even longer). Please join us in continuous prayer for these kids who participated in the retreat. May they have the courage to truly become superheros in our faith.
