FROM YOUR PASTOR'S PEN

ADVENT IS HERE!!!!

The start of a new Church Year begins with Advent, this weekend. ***Happy New Year!***

The first two weeks of Advent always concentrate on the 2nd Coming of Christ, the end of the world, what is called the Parousia in the Scriptures. Obviously it should cause us to reflect on our “readiness” for the coming of Christ, the 2nd coming of Christ. *Are we prepared and ready to meet Jesus at all times, whether at the end of our lives or at the end of the world?* “Being prepared” doesn’t mean selling all of our possessions and giving away everything we own. Some fanatics have done that in the past, as they were certain that the world was going to end on a set day or year.

“Being prepared” means living our life the best way that we can and sharing the gifts in our life, all of which come from God, with those around us. Our best way to prepare is to live lives of service, sacrifice, generosity and worship. The words of Jesus proclaim that “Whatever you do to the least of my people, that you do unto me. Now enter into the home of my Father.” Advent is a time of examination of our lives in the context of a bigger picture that we are part of. Let’s build more fruitful lives over these weeks! *Fr. Ralph*

SPECIAL COLLECTION FOR LA SAGRADA FAMILIA OUR FAMILY IN THE DOMINICAN REPUBLIC

For over 34 years *the Archdiocese of Milwaukee has sponsored a “sister” parish, Holy Family, (La Sagrada Familia Parroquia), in the Province of Azua in the southwest corner of the Dominican Republic.* There has been a relationship of continuously sharing lay missionaries and two Milwaukee priests, who pastor the parish out of the city of Sabana Yegua. The parish encompasses 27 villages and has grown to 27,152 parishioners.

The people have many physical needs because of extreme poverty. There is no plumbing, drinkable water, or consistent electricity. In addition to these woes, the parish suffered severe damage from October, 2012 Hurricane Sandy. They are still rebuilding. There is a native health care staff and a native social worker. ***The parish has to serve physical, spiritual and educational needs as it dreams of a better future.***

Spiritually the staff nurtures evangelization, catechesis, sacraments, prayer groups, adult and youth formation and leadership training (30% of the people are illiterate). Thanks to the financial generosity of the people of the Archdiocese of Milwaukee over the years these endeavors are going on and there now exists a main parish church, a number of village chapels, a small parish staff, a health center, 18 pharmacies and two nutrition centers for children (malnourished children are provided 2 meals a day).

The people of the Archdiocese of Milwaukee have again been asked to participate in and support a collection for La Sagrada Familia Parish. This week each parish household will receive a mailing from the Archdiocesan World Mission Office. Your gift can be returned by using the reply card or online at www.worldmissions.archmildonate.org. In addition to your donation, we hope that you will pray for our brothers and sisters in the Dominican Republic that the bond between us grows stronger. Thank you!

Best Wishes to all!

Prepare for the birth of Christ.

In this **Jubilee Year of Mercy** we are called to avail ourselves of the mercy that God readily wants to bestow upon us as a gift. We especially encounter the grandeur of Christ's mercy in the *Sacrament of Reconciliation*. Once we are pardoned by our God and experience interior peace through absolution, we are empowered to be more merciful ourselves. Consider participating in a Communal Penance Service sometime during Advent with individual confession and absolution.

New students always Welcome! We invite all students from K3 to grade 8 to consider St. Paul School as your future home away from home. Call the school at 262-968-3175.

UW-Milwaukee Honors Band Festival The following students were selected and participated in the UW-Milwaukee Middle School Honors Band Weekend on the University Campus on the weekend of November 20-22, 2015. This is a very prestigious honor for middle school band members to be selected. We have a very high percentage of students selected compared to other larger school districts and schools. Congratulations to Chris Byhre, Mary Kepplinger and Morgan Vavra!

St. Paul School Goals This week we would like to share goal three. If you remember goal one was in the area of math and goal two was in the area of religious identity. The third goal is to foster communication between all areas of the parish with the school. In order to accomplish this goal we intend to: 1) streamline existing forms of communication between the school, parents, and parish; 2) instruct new staff in St. Paul School's communication methods; 3) appoint parent, school, and parish liaisons to oversee communication; 4) inform parents on all available means of communication; 5) send more frequent communication concerning student academic progress; 6) create a communication matrix. All of our goals are for school improvement. If you have any questions, please do not hesitate to call the school.

Middle School Science Middle School Students studied the parts of a triple beam balance while practicing measuring items in grams. Our students worked hard and "weighed" in with their knowledge to ace their lab lesson!
