Weekly Message

MEMORIAL DAY BLESSING

God of Mercy,

We ask that you bless those men and women who are currently serving or who have served to protect our country in the armed forces. We especially remember those who have made the ultimate sacrifice for our freedom, we think of how they have followed in the footsteps of your son, our Savior, Jesus Christ. Please hold all of our service men and women in your strong arms and cover them with your sheltering grace.

We also remember the families of our troops, and ask for your unique blessings to fill their homes and your peace, provision and strength to fill their lives.

May the members of our armed forces be filled with courage to face each day and may they trust in the Lord's mighty power to accomplish each task. Let our military brothers and sisters feel our love and support.

We ask this through Christ Our Lord.

Mass at St. Bruno's Parish at Monday at 8am.

GOSPEL MEDITATION

"And behold, I am with you always, until the end of the age." What consoling words Jesus had for his disciples, even as he was about to bring an end to his earthly ministry. He had spent some time with them after his resurrection, but now his mission was complete and he was about to return to be with his Father in heaven. Undoubtedly this must have been a difficult moment for the disciples. But as if to reassure them, Jesus gives this remarkable promise: that he will ALWAYS be with them, even when he is no longer physically present. We know, of course, that the presence he is referring to comes through the gift of the Holy Spirit. And what is most wonderful about this promise is that it also applies to us!

Jesus is with US always. His presence dwells in our hearts through the sacrament of baptism in which we receive the real, indwelling gift of the Holy Spirit in our hearts. We are not alone! The sometimes difficult journey of Christian life is not one we need to navigate solo. Christ himself ascended into heaven so that he could make himself present in a more universal and timeless way through his Spirit to all people who call upon him. Thus we rejoice on this feast of the Ascension. It's not so much about Jesus leaving. Rather, it's about him continuing his mission in a new way, a way that includes us very directly.

So let us remember that Jesus is present with us, even when we cannot see him next to us or hear his voice loud and clear. Let us call upon his Holy Spirit when we need guidance, comfort, or direction. And today, let us give thanks to God the Father for sending his Son to save us and for giving us his Spirit to accompany us on our own journey of life.

A Place For You

Welcome! Maybe you have been away from the Church for a little while or for quite some time, but now you feel a tug at your heart calling you back to the Catholic Church. Listen to that tug. It's your Heavenly Father reaching His arms out to you, the Holy Spirit whispering in your ear, hoping to draw you home.

We hope you accept this as your invitation to rediscover the truth, wonder and mystery of the Catholic faith. As your brothers and sisters in our worldwide Catholic family, we want you back. We've missed you, and our Parish is not the same without you.

Regardless of why you left or got out of the habit of going to Mass, you can always come home and return to the practice of the sacraments and the fullness of relationship with Jesus Christ and the Church He founded. We are Catholic. Welcome home!

If you are a practicing Catholic and have decided to make St. Paul your church home, simply call 262-968-3865, come by or visit www.stpaulgenesee.net to get registered.

*Stay after mass on Welcome Weekend, **June 10/11** to meet with a parish representative to register and get a tour.*

Resisting Happiness.....

A parishioner wrote: "I just wanted to send a note to thank you and the parish member who provided the book *Resisting Happiness*. I've read the free books in the past but this one has the best connection as to why to appreciate and celebrate being a Catholic. I've read the book and passed it onto a friend of mine, I hope more have done the same. I hope we can continue to pass on the message and find more practical and inspirational books as this one was. I think this one is not only a good read but gives clarity and guidance about our faith in a very practical way."

WHY DO WE DO THAT? CATHOLIC TRADITIONS EXPLAINED

Question: Why do some dioceses move holy days, or not even celebrate them at all. Doesn't everyone do the same thing?

Answer: The short answer is no, not everyone does the same thing. Although the Church is universal, there are many local customs and saints that each country, sometimes just a region, will honor. For example, feast days and patronal days may not be major feast days on the Church's universal calendar, but are celebrated as such in one place. Holy days of obligation are the same way. The US Conference of Catholic Bishops has a certain amount of discretion in choosing days that best reflect the local church's experience and history. Another reason certain feasts are moved is a practical one. With limited clergy, or a great difficulty for people to get to Mass, the feast day may be transferred to a Sunday. The rationale is that if a significant feast should be part of the Church's celebration, then better to do so on a Sunday when people and clergy are available, rather than try to fit it on a day when one or both cannot be there.
