THE MOST HOLY TRINITY

"God so loved the world that he gave his only Son." We are used to this profound idea, so used to it that we often glaze over the incredible reality: God the Father has a Son who became man and dwelt among us! Too often we blithely make the sign of the cross in the name of the Father and of the Son and of the Holy Spirit, without realizing what a radical theology we are announcing.

Only Christianity proclaims a triune God. Only Christianity professes that we have one God in three divine persons. Only Christianity declares that the very nature of God is to be relational and literally "personal." Why does this matter? Because we are made in God's image, as the opening chapters of Genesis tell us. We, therefore, are made in the image of this Trinitarian God who IS love. We are built to be like this God! Just as God the Father loves God the Son and God the Holy Spirit, we too are called to love one another. In fact, we are not fulfilling our nature and design when we don't. And just as God loved the world (that is, us!) so too we are called to love him in return.

We don't have to embrace this image in which we were made, of course. God gave us freedom so that our love can be real, but this means our choices really matter. We can decide not to reflect God's interpersonal love in the world. We can opt not to return the love that God pours out to each of us. But this can only lead to disappointment in the end. After all, God sent his Son so that "everyone who believes in him might not perish but might have eternal life." Ultimately, this means spending eternity in the Trinitarian embrace of love. So why not start now? (*Gospel Reflection*)

"After thirty plus years of dedicated administrative and loving service to our St. Paul Parish, parish secretary, **Kathy Havnen, is retiring** in June.

Kathy first started in music here at the parish playing the piano and organ. In 1994 she started working in the parish office. She has always been diligent and responsible for both the parish and parishioners' resources. Her positive and gentle attitude is so impressive. She has selflessly served to make and assist St. Paul's in being a strong and effective instrument of Christ's mission. She truly has been more than a gift among us. We are blessed that Kathy. Kathy was good at her job because she cared about and loved the parish. May the Lord bless her and reward her." "

Thank you so much Kathy! Fr. Dan

Parishioners are invited to celebrate with Kathy at mass on Tuesday, June 20 at 8:00am. Cake and coffee reception to follow immediately after mass in the Galleria.

A Place For You

Welcome! Maybe you have been away from the Church for a little while or for quite some time, but now you feel a tug at your heart calling you back to the Catholic Church. Listen to that tug. It's your Heavenly Father reaching His arms out to you, the Holy Spirit whispering in your ear, hoping to draw you home.

We hope you accept this as your invitation to rediscover the truth, wonder and mystery of the Catholic faith. As your brothers and sisters in our worldwide Catholic family, we want you back. We've missed you, and our Parish is not the same without you.

If you are a practicing Catholic and have decided to make St. Paul your church home, simply call 262-968-3865, come by or visit www.stpaulgenesee.net to get registered.

*Stay after mass on Welcome Weekend, **June 10/11** to meet with a parish representative to register and get a tour.*

Resisting Happiness.....

Reading this book, for me, has been a transformative experience. As in many of his past books, Matthew Kelly shares so much of his classic practical wisdom throughout this work, but for me it differs in the way he encourages you to 'win the moment.' As he says, "each moment is a chance to turn it all around" and this book has helped me be more sensitive to the messes in my life and others, grow in relationship and manage difficulties with more grace and poise. I highly recommend reading this book – it has the potential to transform your life. -- **Bill Snyder**, Director of High School Youth Ministry at St. Bruno & St. Paul Parishes

HUMAN CONCERNS

PACKING FOR PERU

The dynamic duo of Lisa Bixby and Deb Passino will be traveling to Peru on July 10-19. They're starting to pack the toothbrushes, toothpaste, eye glasses, canes, and other miscellaneous items donated by parishioners. THANK YOU for your donations! It's not too late to drop off your donations, either at the parish office or in the Gathering Space.

HELP ST. BEN'S

As a parish we have served St. Ben's once a month with a beef stew supper for over 25 years thanks to our monthly Loaves and Fishes collection. But their other outreach programs through the Capuchin Community include bus tickets, hygiene bags, and prescription copays. The House of Peace, also run by the Capuchin Friars, provides free clothing. At least 50 showers per week help those homeless around the area of 10th and State in Milwaukee. If anyone has travel size/motel soaps or shampoos, please mark leave them in the basket in the cloak room off the Gathering Space.

Questions, contact Judy Reichow 262-392-2375.

The mission of the Capuchin Community: Inspired by the gospel of Jesus and the example of Francis of Assisi, the Capuchin friars of the Province of Saint Joseph, together with our partners in ministry, prayerfully build sister-brotherhood in the world. We attend simply and directly to the spiritual and other basic human needs, especially those of the poor and disenfranchised, promoting justice for all.

Ally Blonian, Principal St. Paul School

Dear Families,

After 27 years as a full time teacher (17 of those at St. Paul), I have decided to retire so I can enjoy time with my husband and family. It has been both an honor and a privilege to be an integral part of this school and parish. I have had the pleasure of teaching so many students over the years. Now, I meet them out in the world carrying on with their future lives as parents, college students, and in the work force. This is some legacy for me.

My teaching career began in the Brown Deer School District in 1978, as a substitute teacher and then landing a job at St. Charles, Hartland for 10 years. After my 3rd child was born and was diagnosed with learning challenges, I took a sabbatical from teaching to pursue his learning needs. That's when my true commitment to education and volunteering began.

At St. Paul, I have worked as part time office secretary, a chair-person for Market Day fundraising program, substitute teacher, treasurer of Home and School, secretary of the Athletic Committee, cantor, parish festival food tent organizer, charter member of the School (board) Committee, member of the Strategic Planning, teacher in 1st Grade and Middle School, and parent of 4 St. Paul Graduates.

St. Paul School and Parish are my passions and I feel very strongly about my commitment here. I have worked with and for so many talented individuals, the list too long to innumerate. I would like to impress upon all of you how lucky we are to have a school which instills the values of God and the fundamentals of 21st century education.

Thank you for allowing me to serve the Lord at St. Paul through each of you and your children.

WHY DO WE DO THAT? CATHOLIC TRADITIONS EXPLAINED

Question: Why don't Catholics add the "For yours is the Kingdom..." prayer at the end of the Our Father like Protestants do? Where did it come from?

Answer: The conclusion of the Lord's Prayer that you refer to is called a doxology, which is a prayer of glory and praise. This particular doxology we do use in the Mass. After the Our Father, the priest prays the prayer that begins, "Deliver us, Lord, we pray, from every evil..." and the people respond with the doxology. The doxology is not found in the Bible, but it is very ancient. It was first found in "The Didache," also called "The Teaching of the Twelve Apostles," which dates probably from about the year AD 90. It was a letter of instruction to early converts to Christianity. Protestantism dates only to the sixteenth century, so the doxology is actually a Catholic prayer. Some scholars and the catechism (#2760) indicate that the doxology was connected to the celebration of the Eucharist and was not used apart from it.

Remember, both the Lord's Prayer and the Eucharist were part of the "mysteries of faith," things taught only to believers. Ironically, a remnant of a prayer used during the celebration of the Eucharist has come to be used widely by many Christian churches that do not celebrate the Eucharist! Truth is indeed stranger than fiction!
