## Life is to be Lived

Words are cheap. Actions matter. God remakes the world with our deeds, not our intentions. What distinguishes real faith from surface piety is whether we actually do what we say we believe. This was at the heart of Rich Curran's talk a few month's ago.

This is why elected officials—and even everyday clergy and lay-people—who claim to be Catholic but who disregard their religious beliefs in their personal lives and public actions are so damaging to the common good. They claim to follow Christ and his Church with their words, but show how unimportant Christ is to them by their living witness.

Our mission as disciples is not simply to pass along good morals to our children, or convey a sense of God's hand in the world. These things are vital, of course, but they don't exhaust our vocation. Our mission is to bring the world to Jesus Christ, and Jesus Christ to the world. Each of us is a missionary, and our primary work is the conversion of our own hearts and the hearts of others, so that someday the whole world will acknowledge Jesus Christ as humanity's only savior and Lord.

That's a big task. We can't do it by just "dialoguing" about it, any more than Christ could redeem us by writing an essay on sin. The Gospels have power because they tell the story of what God did; what his only Son did; and what Christ's followers did. The Passion accounts of Christ's suffering and death move us so deeply because they show in bitter detail how unashamedly God loves us.

This is the hot spark at the heart of Mel Gibson's film "The Passion of the Christ" and every other sincere attempt to tell the Passion story. God spared not even his own Son in saving us. No wonder the cross draws the eye of great artists again and again down the centuries. The blood of the cross reminds us that — at least on one day in history — love had no limits. And since then, everything has been different.

God built the Church we've inherited through the love of generations of believers. Their witness made our faith possible. It's now our turn to shape the future by the zeal we bring to our own daily witness. It's our turn to act. It's our turn to live our Catholic faith with all the courage and strength Christ brought to loving the Church he founded.

Living our Catholic faith means making our Catholic beliefs the anchor of our lives; living them all the time every day, both in our private homes and our public choices; living them in our families, friendships, work environments and social and political decisions. Anything less is lukewarm. Anything less ignores Christ's call to be leaven in the world and "make disciples of all nations."

Fr. Dan

### CATHOLIC QUOTES - WORDS TO INSPIRE THE FAITHFUL

"Grace is nothing else but a certain beginning of glory in us." — St. Thomas Aquinas

**Did you know?** Our parish website has a link to Fr. Dan's past homilies. If you wished you would have been taking notes during his homily, you can go back to listen to Fr. Dan's message again after mass. The link is on the right hand side of the front page of the parish website. [www.stpaulgenesee.net](http://www.stpaulgenesee.net).

## Faith Formation

### Parish Mission – Save the Date

*“The place where you stand is holy ground”*

The Parish Mission will take place on Mar. 11 at 6:30 pm at St. Paul and Mar. 12 at 6:30 pm at St. Bruno. The Mission will focus on the scripture readings throughout the season of Lent.

*Parish Mission audience is geared for middle school and up.*

**FAITH SHARING!** *Your help is needed.* Pray about how you can answer the call to host or join a small group during Lent. Pray about actually sharing, out loud, your most recent "God moment" with someone in your family or someone at work. Pray for our parish family of faith. How is God calling you to RISE UP? Contact Mary Kral for more information.

**Alpha is coming!** Join with others to talk about Jesus, prayer, the bible, and more. We start with a meal, watch a video, and then have time to talk in small groups. Getting together to share about our faith is not something many of us do on a regular basis; those who have been on the past Alpha courses have said small group discussion was the best part of Alpha. Others have started reading the bible more regularly as a result of Alpha. Someone else said *"Alpha introduced joy and peacefulness."* Why not give Alpha a try? Come to at least the three sessions! Maybe you will feel, as one Alpha guest did, *"a reawakening of what it [faith] is supposed to be."* Sign up on the St. Bruno parish website (click on the Faith Formation tab) or call Mary Kral directly to join the next Alpha course. Bring a friend, anyone is welcome.

Alpha runs from 6-7:45 on Thursdays at St Bruno's starting 1/31.

### Women Are Invited to Pray for Vocations to the Priesthood

Join women for prayer and spiritual formation at the de Chantal Gatherings at Saint Francis de Sales Seminary on Tuesday, February 19. The sessions will be led by Fr. Brad Krawczyk, director of worship and liturgical formation at the Seminary. After Eucharistic Adoration, Fr. Brad will offer formation on *Learning from Mary "Woman of the Eucharist."* A light reception follows benediction.

The gatherings are offered at 9:30 a.m. and 7:00 pm. Please note the morning session is one-half hour later than previous morning sessions to allow you to attend Mass at your parish first and to hopefully avoid morning traffic!

The gatherings are at Saint Francis de Sales Seminary, 3257 South Lake Drive, St. Francis. RSVP to [newheartnewspirit@sfs.edu](mailto:newheartnewspirit@sfs.edu) or (414)747-6463. Please join us, and bring a friend!

## THANK YOU FROM THE COMMUNITY!

**ERAS Senior Network**-Thank you very much for your contributions to our 2018 Holiday Giving Program. We were able to provide 278 seniors and adults with disabilities with care packages valued at nearly \$120.

Each care package included gift cards to Walgreens, Walmart, Pick'n Save, postage stamps, gripper socks, oral hygiene products, and handmade ornaments and bookmarkers. Our recipients expressed joy for their special gifts.

**Reformation Lutheran**-Your contribution of security gates for our heart of the city church and \$200 for bus tickets is profound and life-giving. These gifts make ministry possible with Reformation's neighbors throughout the year.

**Capuchin Community Services**-We want to thank you for your extremely generous donation of gifts from your giving tree. These will be much appreciated and valued by our guests living outdoors and in shelters.

### ALUMNI FAMILY THANK YOU NOTE:

To our St. Paul's School family,

How do we begin to express our gratitude to the teachers and staff (past and present) of St. Paul School. Our first child enrolled in kindergarten at St. Paul in 1989. This past week the last of our nine children (Jack) graduated from 8th grade. We have had children in St. Paul School for 28 years.

Every day that our children were at school we knew that they were being educated, cared for, and nurtured... they were part of the St. Paul School family! We knew that the faith foundation we began at home was being reinforced at school at the same time they were receiving a quality education. The Spirit of Christ was weaved throughout every aspect of their day, from religion class to recess. Over the years our favorite part of St. Paul's was the weekly all-school Mass. It was wonderful watching the older children enter church with their younger "buddies", teaching them to make the Sign of the Cross, and to participate in the Mass. To see the younger children looking up to their older buddies with such awe and to hear them singing their hearts out, was truly inspirational!

Our children were well prepared, both academically and emotionally for their high school years. They have so many fond memories of their teachers, sports and the lasting friendships formed at St Paul School.

Was St. Paul's perfect? No, but it was perfect for us and we are so grateful to have been part of your family!

Thank you for all you have done and we pray for the continued growth and success of our St. Paul School,

*John & Jean Wolak*
