Weekly Message

BELIEVE: Life Long Formation

A new model of faith formation has been developing over the last 40 years. We have become accustomed to the classroom-instructional model. This model assumes that it is enough for young people to learn facts about the faith, once a week during their formative years. We all know that it takes much more than this for children to develop a strong foundation in their Catholic faith. The new model emphasizes that the community is at the heart of all faith formation.

The life of our Church is centered in events that have the power to educate and transform individuals and the whole community. As Catholics, these include Church year feasts and seasons, sacraments and liturgy, justice and service, prayer and spiritual traditions, and community life. We know that these events are important to us, but we have to constantly learn how to participate in them so that we can understand them more fully. Only then will they have the power to change us both personally and as a parish community.

Lifelong faith formation is a process of growing in the faith that begins with baptism. Immersed in the life of the Trinity, we are adopted sons and daughters of God our Father, brothers and sisters of Jesus Christ and temples of the Holy Spirit.

Like all human relationships, developing and deepening our relationship with the Trinity happens gradually and over time. Consequently, lifelong faith formation provides opportunities and experiences throughout the entire life span to strengthen our relationship and knowledge of God, Jesus and the Spirit; to enhance our understanding of Scripture, Tradition and doctrines of our faith; and to sustain us in living as disciples of Jesus Christ.

Catechesis is no longer for children only. If we are to be a church of missionary disciples, we all need to enter into the process of deepening our faith by continually learning and experiencing what it means to be a Catholic Christian.

God bless, **Fr. Dan**

Human Concerns

Capuchin Community Services thanked us for a recent gift; here is a glimpse into their ministries at St Ben's and House of Peace: "They are places of joy just as much as they are places for unique combinations and relationships...Joy is present in both giving and receiving."

The House of Peace recently had its flooring replaced, and it's been uplifting to see the reaction: people can see that we care for our common home.

Some days at St Ben's we receive donations beyond what the generous sponsor groups bring and serve. The trays are heaped high, and there are gleams and smiles from our brothers and sisters who perhaps have been hungry for hours or longer."

Human Concerns Ministry Spotlight

Please check out the bulletin board (near the east entrance doors) for the upcoming Human Concerns ministry events. We will be shining a spotlight on the wonderful outreach being done by our ministries and their volunteers. Our current spotlight shines on two of our ministries.

The Hope Center, a place in Waukesha for those experiencing poverty or homelessness, will see a number of our parishioners serving a meal there in October and providing milk and desserts.

The Free Clothing Share where clothing and household goods can be shared at the parish and anyone can come to the Share to find clothes or other small items at no charge. A visitor in the past was so grateful for the chance to find clothing for various members of a refugee family they were helping to get settled in.

St Paul's Human Concerns ministries are evidence of the stewardship in action of our ministry chairs and volunteers with their time as well as the stewardship of prosperity shared by our parishioners which helps fund these ministries. ALL are invited to share their stewardship of prayer by praying for these ministries in the spotlight.

SEASONAL REFLECTION

Our Guardian Angels

The Gift of Our Guardian Angels
It's good to know we're not alone. This October 2nd we celebrate the feast of our guardian angels. This ancient belief has roots in Scripture. In Matthew's Gospel, Jesus implies the special guiding care of the angels. "*See that you do not despise one of these little ones, for I say to you that their angels in heaven always look upon the face of my heavenly Father*" (Matthew 18:10). Our guardian angels are given to us by God to protect and watch over us from the moment of our conception until the hour of death.

Let's pray together to our own heavenly help: *Angel of God, my guardian dear, to whom God's love commits me here, ever this day be at my side to light, to guard, to rule, and to guide. Amen.* ©LPi

Sharing the Gospel With Kids

NoShare saw a poor man starving but did not share his food with him. Both men died. NoShare went to a place of punishment. He begged for water from the poor man who was in heaven, but got none.

When ShareMuch saw a poor man, he took him to a homeless shelter. He bought food, drink, clothing, and blankets for everyone there. When ShareMuch died, God said, "When you shared with others, you shared with me. Welcome to heaven."

Prayer: Lord, help me share.

We welcome Regina Bakala, a Congolese Refugee who will share her experiences.

Regina's story will inspire us all to stay faithful in times of adversity. Regina and her husband David are from the Congo, where they experienced unbelievable torture. They sought asylum in the

United States and ended up in Hales Corners, WI.

In 2005, Regina was arrested by ICE to be deported. Sr. Josephine Marie Flynn rallied for Regina's cause. The entire St. Mary's Hales Corners community supported the Bakala family in this injustice. Sr. Flynn wrote a powerful book, "Saving Regina" which documents Regina's journey.

Unplanned is the inspiring true story of one woman's journey of transformation. All Abby Johnson ever wanted to do was help women. As one of the youngest Planned Parenthood clinic directors in the nation, she was involved in upwards of 22,000 abortions and counseled countless women about their reproductive choices.

Please RSVP if you are interested in attending to the office at 966-2191. The movie is FREE. We need a count for how many seats to set up. But please come at the last minute! Don't miss this opportunity to learn more about "women's health" and the abortion agenda. We will have refreshments available.

This movie is sponsored by the St. Teresa of Calcutta Respect Life Committee.

This movie is rated "R" for graphic images.
