Prayer for the End of Summer

Dear God,
You made the wind and the waves and the wide sandy beach that stretches as far as the eye can see. I felt Your presence as I relaxed in the sun and dove in the sea-green water, listening to the gulls darting overhead. May I continue to bask in Your warmth in the cooling autumn days. The ice cream truck was always there when I wanted it, and somehow the rain stayed away when the picnic supper was planned or at least it waited until the blankets were folded and we were safe inside. I give thanks for Your bounty at all times. Every September I still feel like it's the first day of school again, and I need to buy new notebooks at a back-to-school sale and brush up on my Algebra or rusty French so that I don't make a fool of myself on the first day of classes. Help me be an eternal student of Your goodness. No sooner had I unpacked from the trip we took did I glance at the calendar for the month ahead and saw it crowded with meeting after meeting after meeting. What happened to the calm of August? Even You got to rest on the seventh day. Let me hold on to the peace and quiet of vacation. The days are already getting shorter. The sun isn't such a dependable alarm in the morning. It set before we even finished dessert last night, and the stars were our unexpected companions on an evening walk. Teach me, Lord, how to measure my days. Soon the leaves will turn in color and drop from the trees, and I'll have to dig out the sweaters from the bottom of the drawer, and I'll declare that October is the most beautiful month of the year. Brisk, clear, luminous. In the meanwhile.

Thank You, God, for summer.

Oración para el final del verano Querido

Dios, Tú hiciste el viento y las olas y la amplia playa de arena que se extiende hasta donde alcanza la vista. Sentí Tu presencia mientras me relajaba bajo el sol y me sumergía en el agua verde mar, escuchando a las gaviotas volando sobre mi cabeza. Que pueda continuar disfrutando de Tu calor en los refrescantes días de otoño. El camión de los helados siempre estaba allí cuando lo quería, y de alguna manera la lluvia se mantuvo alejada cuando se planeó la cena de picnic o al menos esperó hasta que las mantas estuvieron dobladas y estuvimos a salvo adentro. Doy gracias por Tu generosidad en todo momento. Cada septiembre todavía siento que es el primer día de clases otra vez, y necesito comprar cuadernos nuevos en una venta de regreso a la escuela y repasar mi álgebra o francés oxidado para no hacer el ridículo en el primer día de clases. Ayúdame a ser un estudiante eterno de Tu bondad. Tan pronto como desempaqué del viaje que hicimos, miré el calendario para el mes siguiente y lo vi lleno de reunión tras reunión tras reunión. ¿Qué pasó con la calma de agosto? Incluso Tú tienes que descansar el séptimo día. Déjame aferrarme a la paz y tranquilidad de las vacaciones. Los días ya son cada vez más cortos. El sol no es una alarma tan confiable por la mañana. Se puso incluso antes de que termináramos el postre anoche, y las estrellas fueron nuestros compañeros inesperados en una caminata nocturna. Enséñame, Señor, a medir mis días. Pronto las hojas cambiarán de color y caerán de los árboles, y tendré que desenterrar los suéteres del fondo del cajón, y declararé que octubre es el mes más hermoso del año. Enérgico, claro, luminoso. Mientras tanto.

Gracias, Dios, por el verano.
