*Lord God, the source of all love, the wise plan of your providence has brought these young people together. As they prepare themselves for the sacrament of marriage and pray for your grace, grant that, strengthened by your blessing, they may grow in their respect for one another and cherish each other with a sincere love. We ask this through Christ our Lord. Amen*

**Church Chuckle** One day God was looking down at earth and saw all of the rascally behavior that was going on...So He called His angels and sent one to earth for a time. When the angel returned, he told God, 'Yes, it is bad on earth; 95% are misbehaving and only 5% are not. God thought for a moment and said, 'Maybe I had better send down a second angel to get another opinion.' So God called another angel and sent her to earth for a time. When the angel returned she went to God and said, 'Yes, it's true. The earth is in decline; 95% are misbehaving, but 5% are being good...' God was not pleased. So He decided to e-mail the 5% who were good, because He wanted to encourage them, and give them a little something to help them keep going. Do you know what the e-mail said? Okay, I was just wondering, because I didn't get one either.
