

Hi, my name is Ruby, and I'm incredibly excited to be going on the St. Bridget's High School Mission trip this summer! I strongly believe in the importance of investing in young people, giving us opportunities to grow in our faith, serve others, and become leaders in our church. Your support isn't just helping one student go on a trip; it's an investment in the future of the Catholic Church.

When young people are passionate about Jesus and committed to living out his will, we have the power to inspire real, lasting change. Supporting us is a meaningful way to keep the Catholic faith alive and thriving for generations to come. My faith is a core part of who I am, it shapes the way I make decisions, and it gives me strength in times of challenge.

The opportunity to attend the mission trip for the first time means so much to me. I'm beyond excited for the experience ahead, serving those in need, attending daily Mass, deepening my relationship with God, and spending time with friends while also getting to know new people who share my values. This trip feels like a stepping stone in my personal journey with God. I'm hoping to return not only with wonderful memories but also with a stronger sense of purpose and a deeper understanding of how to live out my faith every day. I know God will be with us every step of the way, and I'm so grateful for the chance to grow in faith and love while helping others.

May God bless you for your generous support in making it possible for our youth to take part in this summer's mission trip. We are truly grateful for the kindness and generosity of our St. Bridget's community, and please know that you will be in our prayers throughout our journey. St. Aloysius, patron saint of youth, pray for us!
