Calling all idea people and artisans: The Salvage Committee welcomes your input and skills.

The Salvage Committee is a small group of parishioners convened by Father Felix to administer and make decisions on items and materials found in the remains of our church building. This committee will work toward preservation, restoration, fundraising and healing.

We have pieces of metal, wood, stained glass, marble, brick and galvalume (the roofing). Our goals are as follows:

- 1.) To develop 3-6 standout items for fundraising
- 2.) To develop mementos for the parish families and aid in fundraising while making items available to a larger number of individuals
- 3.) To preserve the spiritual and keepsake items for church ownership as part of a remembrance and/or memorial

If you have skills (stained glass, drawing, painting, plasma cutting, working with any metals or marble, etc.) you would like to offer in repurposing any items, or if you simply have ideas on what you would like to see, please drop off your suggestions in the box in church. If you prefer to email, send emails to hostynchurchsalvage@gmail.com.
