Prayer for Rain **Let us Pray**

Almighty God, we are in need of rain. We realize now, looking up into the clear, blue sky, what a marvel even the least drop of rain really is. To think that so much water can fall out of the sky, which now is empty and clear! We place our trust in you. We are sure that you know our needs. But you want us to ask you anyway, to show you that we know we are dependent on you. Look on our dry hills and fields, dear God, and bless them with the living blessing of gentle rain. Then the land will rejoice, and the rivers will sing your praises, and the hearts of men will be made glad. Amen.
