A LETTER TO OUR SISTERS AND BROTHERS OF EPIPHANY

Have you noticed how the Holy Spirit is moving at Epiphany? As God's family here in this Parish we have been experiencing a groundswell of renewed vision and desire to build faith, community and outreach, and over many months we have begun to see the wonderful first fruits of the new life of God among us.

We want to tell you more about what has been happening behind the scenes in the Parish, and what is being planned for the future.

At the beginning of 2018 under Virginia Hill's leadership, the 'RENEW' committee was formed, where new ideas for parish ministries were generated and implemented. The RENEW committee was responsible for initiating programs such as the coffee hour, outreach food program, spiritual book library, Song Project, interfaith ministry, and much more. As it stands today, some of these new ministries are actively ongoing and some are on hold or awaiting new leaders.

As new ministries multiplied, we began to acknowledge the need for a robust strategy for stable and sustainable church renewal and growth. Earlier this year the Parish was introduced to '**Divine Renovation**' (DR), a program of Catholic church renewal. The creator of DR, Fr James Mallon, leads a now-thriving parish in Canada where people of all ages have come alive with love for God, for each other and the world. You will have heard talk of the Divine Renovation book; we hope you will buy your own copy and become as excited by the possibilities as we are!

Under Fr Austin's leadership, a **strategic committee** was formed to move the Parish towards implementing Divine Renovation organizational structures. This interim committee has been meeting and working hard to propose a vision for Epiphany's future in line with Jesus' Great Commission (Matthew 28:16-20), including three goals:

- 1 to bring parishioners to a personal relationship with Christ**
- 2 to create disciples who will grow in their faith**
- 3 to transform Epiphany into a missionary parish**

We will use the **Alpha Course program** as a key tool towards helping everyone in the parish grow closer to Jesus, and for developing parish leaders for the present and the future.

A **new Parish Structure** has been developed in line with the Divine Renovation model. It includes:

The **Pastoral Council (PC)** will define and map out a long-term strategy for the Parish, and set priorities within this new model.

The **Senior Leadership Team (SLT)** will be responsible for implementing the strategies defined by the PC, and to make the day to day management of the parish really workable.

The **Finance Council** will continue to help guide our finances and align our expenditures towards our threefold vision.

The **Staff Team** of the Pastor will continue to support our growing activities and life in the parish.

Ministry Coordinators of our emerging ministries will be organized into **Ministry Areas**, and they will comprise the Senior Leadership Team.

Perhaps you are wondering where this all leaves you personally? Well, we need you to join us in making Epiphany a shining example of an evangelizing church!

Your talent is God's gift to us all. We need: people with practical skills, creative and musical gifts, people with experience in business and on boards, we need people with technical and social media knowledge. People who will serve and people who will pray, people who will speak and lead in public, and people who will quietly serve others in the background. Expert or beginner and everything in between: God will use every willing heart!

Our hope is to have this structure in place at the end of the summer. If you think you can help us out at that time by serving in the Pastoral Council, the Senior Leadership Team, the Finance Council, as a Ministry Coordinator, or as a member of any of the ministry teams, please contact us at
