Question: What academics does your school offer?

- SSPJ is dedicated to providing a Catholic education that nourishes respect for individual diversity, fosters cooperative learning, promotes global awareness, and instills 21st century skills needed in today's society. Our primary commitment is to integrate the Gospel message with the spiritual, intellectual, emotional, social, and physical development of our students, thus enabling them to become the leaders of tomorrow.
- Academically, our expectations are high and our historical performance is exceptional. SSPJ offers an exciting curriculum and energized teachers with the latest technology and courseware to support each student. Courses include: reading, math, English, science, computer, religion, art, music, physical education and foreign language classes.
- Algebra I and Living Environment are offered to all students in Grade 8. These classes give students the opportunity to take the Regents exams before starting High School.

Question: Do Catholic schools offer the same thing as public schools?

- Being a Catholic School, religion and faith are interwoven throughout each grade and curriculum. This shared spiritual focus creates a special sense of community among the children.
- Families who share the Catholic faith get these values reinforced daily as their children receive religion instruction, attend weekly mass, altar serve, and prepare for the sacraments of Reconciliation, Holy Eucharist and Confirmation.
- Focusing on more than just academics, we teach our children the values that are at the very foundation of a successful life.

Characteristics such as:

Hard Work, Discipline, Punctuality, Neatness, Kindness, Generosity, Responsibility, Honesty, Patience, and Perseverance.
