MISSION STATEMENT

In the spirit of St. Michael the Archangel, Defender of our faith and Protector of our children, the preschool is dedicated to providing a Catholic atmosphere that inspires the development of personal growth and creates age appropriate social, physical, spiritual and intellectual experiences in a fun, nurturing environment.

PHILOSOPHY

St. Michael the Archangel Preschool is an early childhood program that seeks to further the development of the young child and provide opportunities for their independent success. We strive to provide an environment that is stimulating, challenging and most of all fun! We are committed to "learning through play." Through play, children are encouraged to express themselves freely, communicate with others and follow their natural instincts of discovery. Play is a primary focus of our program as it provides a foundation for learning and is the preparation children need to succeed in an academic environment.
