Our Vision: To bring HOPE and SOLACE to each resident of the Hogar de Niñas and Hogar de Ancianos and to offer support for those we can in the community of Santa Rosa de Copán, Honduras.

Who We Serve: Our committee was formed in 2004, with our first trip following in 2005. We serve all who live and work in the Hogar de Niñas (home for girls) and Hogar de Ancianos (home for the elderly) in Santa Rosa de Copán, Honduras as well as the Casa del Niños in Tegucigalpa.

Our charitable efforts impact the health/wellness of each resident, educational opportunities for all of the youth, as well as improving the operations and facilities. At the heart of our mission are our annual trips (2 per year) that build relationships as we walk side-by-side with the nuns, girls and elderly with a shared faith and love of Christ.
