LIVING BRANCHES

The Gospel and second reading for this Fifth Sunday of Easter emphasize the need for us to remain in Christ, and he in us. This shared life finds expression in the image of the one vine and many branches. We become living branches of the vine, members of the Body of Christ through baptism, Eucharist, and confirmation, sacraments of sharing God's own life. The First Letter of John describes the fruit of this vine as active love of neighbor: "And his commandment is this: we should believe . . . and love one another" (1 John 3:23).

Our first reading from Acts shows us an example of someone who shares in Christ's life in the person of Saint Paul. Paul's fearless witness, even at the risk of his life, is proof to everyone that the risen Lord's Spirit truly fills him with life and is bearing fruit in him.
