Dear Parishioners,

While over the years, there have been some incidents of individuals falling into the Baptismal font, this year it has been more frequent with four incidents; three have been visitors and one a first grader from Cataldo. For this reason, a committee has been formed to study the font. While the primary purpose of the committee is to evaluate safety features, whatever modifications that are recommended will need to take into consideration the liturgical and architectural dimensions of the font. The committee members are as follows:

Greg Arpin: Greg is a retired attorney. He and his wife, Lori, have been parishioners at St. Augustine since 1980. Over the years, Greg has served on the St. Augustine liturgical committee, parish council, the choir, and as cantor. Lori taught at Cataldo for nearly 20 years.

Stephanie Heller: Stephanie has been a parishioner at St. Augustine since 2011 when she and her husband, Chris, moved to Spokane from Los Angeles. Stephanie and Chris have two children: Reagan (11) and Thomas (6). Stephanie is a physician and practices pediatric emergency medicine at Sacred Heart Medical Center. She is also involved with Catholic Charities of Eastern Washington where she has served as a physician consultant to the organization's Childbirth and Parenting Assistance (CAPA) program for the past eight years. She has been in St. Augustine's Bible study program where she has both participated in and hosted Bible studies for the past four years.

Frederick Ragan: Frederick is a practicing physician. He and his wife, Maria-Theresia, have been parishioners at St. Augustine only since 2018, but their family has deep roots in Eastern Washington. He has a keen interest in history and philosophy of art and architecture, and is a particular admirer of Roger Scruton, Stephen Hicks, Vitruvius, Gianlorenzo Bernini, Alceo Dossena, and Arno Breker. He has spent his career avoiding committees and administrative duties.

Jerry Schmidlkofer: Sandy and Jerry Schmidlkofer moved into their current home and St. Augustine Parish in the fall of 1964. They raised six children who all attended St. Augustine school and Cataldo. From the beginning, Jerry and Sandy were active in parish life and the school. Jerry was on the school board, parish council, and has served as chairman of the building and grounds committee. He has been part of many projects at the parish and school, including the church remodels in 1978 and 1998, the construction of the parish center and Pearson Hall in 1988-89, and the rectory remodel in 2010. Jerry was rewarded by these projects by meeting many great parish members, some of whom turned into great friends, often receiving more from the projects than what he felt he gave. In addition to the experience of owning and operating K&N Electric Motors for many years, Jerry offers to the committee some historical data and some expertise in remodel-type work.

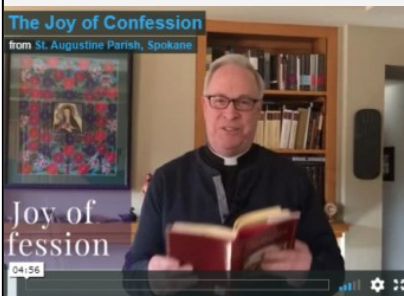

The committee will provide a recommendation by late spring so that whatever work that needs to be done can be completed this summer. You are invited to give your input to any of the committee members. Before any work begins, there will be an informational meeting for the parish.

God bless,

Fr. Brian A. Mee

FR. MEE VIDEO MESSAGES

In this week's video messages: The Joy of Confession.

When was the last time you went to Confession? Although we often have an excuse for not going to Confession, Fr. Mee encourages us to celebrate the Sacrament of Penance this Lent - and to experience the spiritual joy it offers.

Fr. Mee's messages are emailed to all parishioners who currently receive communications from the parish. If you are not on our email list and would like to receive the videos into your inbox, please call or email the parish office:

You will also find the messages on the parish website and through our parish Facebook page.

CATALDO DRAMA PRODUCTION

Come see Cataldo Catholic School's production of *Aladdin Jr.* on March 18 and 19 at 6pm at Spokane Community College's Lair Auditorium! Over 80 students are involved in the production, as well as Father Codd and Father Ratuiste.

Disney's *Aladdin JR.* is based on the 1992 Academy-Award®-winning film and the 2014 hit Broadway show about the "diamond in the rough" street rat who learns that his true worth lies deep within. Aladdin and his three friends, Babkak, Omar, and Kassim, are down on their luck until Aladdin discovers a magic lamp and a Genie who has the power to grant three wishes. Wanting to earn the respect of the princess, Jasmine, Aladdin embarks on an adventure that will test his will and his moral character.

With exciting characters, songs, and thrills, this beloved story will open up "a whole new world" for the entire family. This is a show you don't want to miss! Tickets will be available March 5 through showtix4u.com for \$7 and \$8 at the door.
