Monthly Blessing of Married Couples

On the final Sunday of each month, at the conclusion of each Mass, there will be a blessing of couples celebrating their wedding anniversary in that given month. Couples will be called forward after the final prayer. The following blessing will be used:

Almighty and eternal God,
You blessed the union of married couples
so that they might reflect the union of Christ
with his Church:
look with kindness on them.
Renew their marriage covenant,
increase your love in them,
and strengthen their bond of peace
so that, with their children,
they may always rejoice in the gift of
your blessing.
We ask this through Christ our Lord.
Amen.

The Organ Music in Today's Liturgy

The first consideration for registration (the process of combining pipes to create a composite sound) is the type of pipe to choose: principal, flute, string, or reed. The second consideration is the pitch level. The "stops" of an organ each control a set of pipes (a "rank") of a type and pitch level. An 8' rank sounds at unison; so, for instance, the key A around the middle of the keyboard has a frequency of 440 cycles per second in an 8' rank. For a 4' rank, that same A would have a frequency of 880 cps; that A with a 2' rank would sound a 1760 cps, and for a 16' rank would sound at 220 cps. 4' and 2' ranks add brightness to the sound, and during Lent, to create a more somber sound, the 2' pipes and certain 4' pipes are being excluded from registrations. If you would like to know more, please ask Joseph Schubert, the organist.
