## Parish Homebound Outreach

Do you know a parishioner who is homebound or is a senior member of the parish with whom we have perhaps lost touch? We try to stay connected with our senior members or members who are homebound. Please contact the office if you know of anyone who should be on our outreach list.

## Fridays during Lent ~ 5:30 PM

Stations of the Cross will be prayed Fridays of Lent at 5:30 PM. There will be a soup supper immediately following the Stations of the Cross each week in Pearson Hall.

### ~ Volunteers Needed to Host or Bring Soup ~

Are you interested in hosting one of the Friday Lenten Soup Suppers? Hosting is simple. All it involves is opening Pearson Hall just prior to Stations of the Cross, setting out bowls and utensils, cleaning up following the event, and ensuring the parish hall is locked up when the event is over. It is not required that you make soup if you are a host, but you certainly can!

*A sign-up sheet is in the vestibule.*

*Questions? Call Carol at 509.747.4421. Thank you!*

## Save the Date: Chrism Mass 2025

## Volunteer Opportunity!

St. Augustine Parish is looking for volunteers to help deliver Meals on Wheels to homebound seniors on the South Hill. This rewarding opportunity requires only about two hours a month (or one morning per month), with deliveries taking place on Tuesday and/or Wednesday mornings for the South Hill area.

Meals on Wheels is a vital local organization that provides hot, nutritious meals to homebound seniors throughout Spokane. If you're interested in making a difference in our community, please contact coordinator Ray Birgenheier at 509-818-4231 for more information.

## The Organ Music in Today's Liturgy

The first consideration for registration (the process of combining pipes to create a composite sound) is the type of pipe to choose: principal, flute, string, or reed. The second consideration is the pitch level. The "stops" of an organ each control a set of pipes (a "rank") of a type and pitch level. An 8' rank sounds at unison; so, for instance, the key A around the middle of the keyboard has a frequency of 440 cycles per second in an 8' rank. For a 4' rank, that same A would have a frequency of 880 cps; that A with a 2' rank would sound a 1760 cps, and for a 16' rank would sound at 220 cps. 4' and 2' ranks add brightness to the sound, and during Lent, to create a more somber sound, the 2' pipes and certain 4' pipes are being excluded from registrations. If you would like to know more, please ask Joseph Schubert, the organist.
