2021 BENCHWARMER FOOTBALL RAFFLE

**Help support Cedar Valley Catholic Schools
and get ready for the upcoming NFL season!**

How it works:

- Each week during the 18 week NFL football season, you are assigned 3 random teams.
- Determination of raffle winners each week is based on the 3 teams' total scores that week. Example: If you have the numbers for the Bears, Packers, and Dolphins and the Bears score 45, Packers score 21, and Dolphins score 28- your total would be 94.
- If this total is very high or very low you could be eligible for one of the weekly prizes.
- Teams not playing in a given week will be assigned the previous week's score.
- The winning numbers are computer calculated and the winners will be posted weekly on www.cvcatholic.org/benchwarmer.
- Winners will automatically be mailed their prize money.

5 for \$100**
