Statement regarding the new Cathedral Church for the Diocese of Madison

Madison – In a letter dated September 11th, the Apostolic Nunciature informed Bishop Donald Hying that His Holiness, Pope Francis, has erected St. Bernard of Clairvaux church in Madison as the new Cathedral Church for the Diocese of Madison.

The Dicastery for Bishops will issue an official decree of erection in the near future. At that time, more information will be made available.

The Apostolic Nunciature expressed its fervent wish that the Cathedral of St. Bernard of Clairvaux become a locus of prayer for the entire diocese as well as a visible center of unity around the Bishop of Madison.
