Submitting October Counts in Diocesan Data Hub

1) After logging in on the Diocesan Data Hub, verify that your name is indicated in the upper right corner (indicating you've logged in) and then verify what Organization is listed in the main header.

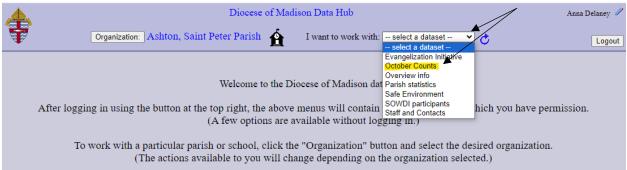

2) Within the upper header, click on the grey **Organization** area, to select the correct parish to report upon if it's not already listed.

Within the **Select an Organization** popup window, select the parish from those within the Parishes list, as seen below to change your organization default.

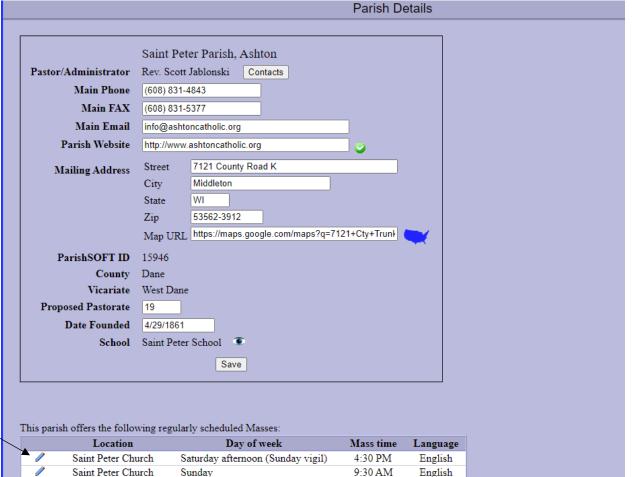

3) With your correct parish listed within the header, click where it says **I want to work with:** and select the **October Counts** option within the drop down list.

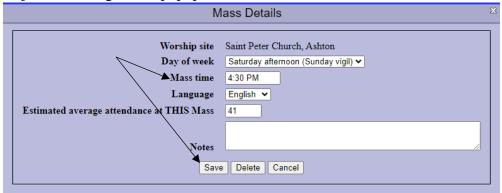

4) First, click the **Edit Mass Schedule** button and adjust the mass times to correctly reflect the new mass times at the parish.

5) On the **Parish Details** screen, scroll/look down till you see the regularly scheduled Masses listed, then click the **pencil** icon on the left to adjust the times listed.

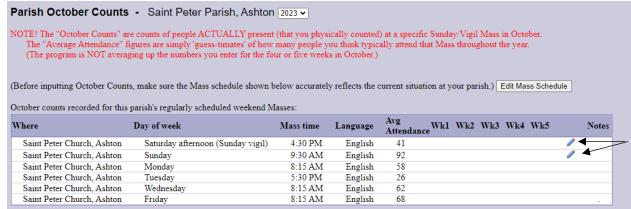

6) Adjust the listing on the popup screen below and click **Save** when finished.

- 7) If you need to **Remove/Delete** a mass time, select the time as if you were to edit it, but instead click the **Delete** button in the options, as seen above.
- 8) If you need to **Add** a mass time, click the green plus section, **listed below** the listings of the mass times, to add a mass for a specific worship/church site:

9) After closing the Parish Details screen, you will be back on the October Counts area. From there, click the pencil next to each Sunday/Sat Eve masses, as seen below, and record your collected mass counts.

10) After adding in all weekly mass counts, click the **Save** button:
