Happy Easter Alleluia!

April 12, 2020

Novel Coronavirus or Covid-19, whatever the name, has changed us not just in early 2020 but possibly for the long-term. How often have we heard someone say: "I never saw this coming" or "I didn't believe it at first"

Change is hard. During this Lenten and Easter season things have changed, and we must consider what the changes mean to us personally, to our family, to our parish family...

We are called to fight this illness in a novel way:

- Pull back from group gatherings,
- Stay at Home, work from Home, Teach at Home
- Wear a face mask,
- Not to be greedy and stockpile things because we can.

As I reflected on group gatherings: we are normally busy and going many places with many people around and we can act as we want. As we follow the "Stay at Home" suggestion, something good has happened—we are in a small group called family. It is in the family that we first discover who we are, not who we want or pretend to be. Since family knows us best, we can return to living honestly.

The face mask is the latest step and very important. I pray the mask will protect others from unkind words we may want to speak; it might muffle us and allow the other person to speak first. Conversation can become Holy Ground upon which relationships are strengthened and built.

Making sure we have more than enough, emptying store shelves, stockpiling, and price gouging are ways of the world. Yes, we are a first world country, but maybe this illness will raise an awareness in us to use only what we need and to let others share in the goods that are available.

This is a novel time with a new common enemy, a worldwide enemy, and it is consuming our time, our thoughts, and driving our actions. The ups and downs of the stock market shows how erratic and reactive we can be. Love is a creative solution. When we show our love for others we find the best solution, we are driven by care for the other, we rally around the needs of others and provide what we can such as personal protective equipment, or calls of support. We become creative with our family: eating, talking, playing together. We might open old photo albums and share the laughs from days gone by. We might reestablish family bonds.

One of the challenges we face today is the need to return to that sacred space in our hearts where we get the energy "grace" from our God. A place where, when we pray, we open ourselves to seeing the challenge of being service to others who are weaker. Maybe we check on the frail, maybe we make sure no one is out of contact with others, maybe we volunteer to help deliver something to someone in need. Many are being called to risk their lives to save others: doctors, nurses, technicians, police, first responder's. We may be called to be the support for others.

Jesus was aware of Judas and the plot to hand him over. The price Judas received was the price of a slave, but what was the real cost? Judas was a friend of Jesus, was a friend. That was the real cost.

What have we valued the most? What have we strived for and worked to gain? What, like Judas, would we sell our souls for to protect or to possess?

We are invited by Jesus to do as he did during this Holy Week—to lose our lives for others. We are all called. We are all affected in this novel time. How we react, and how we control our reaction is important. Because of change in our way of life if we accept God's help, life can become better. Easter, New Life is here among us. Let us reflect, let us pray, let us become Jesus to others by what we say and what we do.

Alleluia! Happy Easter. This is a novel time to be alive.

Blessings on your day! Fr. Chuck

"Set your minds on things that are above, not on things that are on earth." (Colossians 3:2)

Do you put God first in all things? Possessions, money, power, ego can easily become gods to many of us. Do a quick check of what is important to you. Is God at the very top of the list? If not, your priorities need to be re-adjusted. Don't let earthly things become a god before God. This is also the first commandment – I am the Lord your God, you shall not have any strange gods before me.

what is happening, or exactly where it is all going.
What you need is to recognize the possibilities
and challenges offered by the present moment,
and to embrace them with courage, faith, and hope."

Are You Up-to-date?

Much of the information sent to parishioners is via email. If you are not getting emails from us the chances are good that either 1) we do not have an email address for you or 2) the email address we have is incorrect. Please call the Parish Office or email tjohnson@stphilipsbemidji.org with your information. The same goes for any address or phone changes. We appreciate your assistance in keeping our records current!

Mass Intentions for St. Philip's

I'm sure you are wondering about the steps we are taking with the Mass intentions that have been scheduled here. Fr. Chuck or Fr. Maschio will continue to say daily Mass Monday through Friday privately (two Masses Tues., Wed., and Thurs.), so your intentions will be fulfilled as before. For the weekend Masses they will say one Mass on Saturday and one on Sunday. Once during the week a "For the People", which is a required intention, will be said. The remainder of the Sunday intentions have been moved to other days in the future. If you have requested a special day to have a Mass said, we are sorry for the necessity to move it to a different date. Thank you for your understanding.

Pastoral Council Elections are coming soon!

Our Pastoral Council enhances the decision-making process of pastoral planning—helping to set goals and develop and implement pastoral programs. The council serves in an advisory role to the pastor. Meetings are held after evening Mass the first Tuesday of each month. (Usually 10 to 11 meetings a year.) Each council member term is for three years, with possible second term (total six years). The election process is scheduled for early May with duties to start July 1. If you are called to serve our parish in this capacity, get Information/nomination forms in the Parish Office or at stphilipsbemidji.org. Names may be submitted to the nominating committee of the Pastoral Council by April 25.

Options for maintaining offertory giving (during COVID-19 crisis and beyond).

Thank you for your ongoing support of St. Philip's Catholic Community through offertory giving. Your financial contributions are crucial to our parish fulfilling its financial obligations. We look forward to when we can again present our stewardship gifts in community during Mass, but until then, there are additional options to consider. (You may use these options at any time—not just when Masses are canceled.)

- J Use weekly envelopes to share your offertory gift(s). You may write one check for the whole month and include a note about how you want funds directed (between offertory and special collections.) Put the envelope (it has your envelope #) in an envelope and mail it to St. Philip's Church, 702 Beltrami Ave. NW, Bemidji, MN 56601.
- J Authorize electronic fund transfer from your checking account. Call the Parish Office for more information.
- Give online at stphilipsbemidji.org (set up a recurring gift or give individual gifts.)

Call 218-444-4262 or email mhchadwick@stphilipsbemidji.org for more information. Note: If you do not receive envelopes in the mail (and have not already set up a recurring gift), we may not have complete contact information in our records. You can call the office, send an email to tjohnson@stphilipsbemidji.org or fill out a registration form at stphilipsbemidji.org.

To the St. Philip's Catholic Community Members,

We pray for the spiritual and physical wellbeing of every member of our St. Philip's family. We offer our gratitude to all who are serving others (health care workers, first responders, child care workers, etc.) and acknowledge the sacrifices everyone is offering to comply with guidelines to minimize this pandemic. We also pray for those experiencing job loss, financial instability and health care concerns. We are working to share resources that may be able to provide guidance and assistance.

We are exploring many options to help us stay connected to each other and to our faith. Some of the actions we are taking include:

-)] Mass recorded and posted to stphilipsbemidji.org Sundays and Wednesdays. (If you haven't submitted a photo for us to place in the church, please do so at stphilipsbemidji.org)
-)] Real-time updates on St. Philip's Facebook page @stphilipsBJI.
-)] Individual callers reaching out to check in on parishioners.
-)] Building volunteer teams to provide assistance to parishioners—join Covid-19 Care Team at stphilipsbemidji.org

Parish Updates—4/9/20

-)] Campus buildings will be closed (per Gov. Walz's order) until further notice.
-)] The Clothing Depot is closed until further notice.
-)] Distance learning for St. Philip's School children continues.
-)] Confirmation is scheduled for Sunday, June 21 at 11 a.m. (Event date is subject to change).
-)] First Eucharist will be celebrated on the weekends as soon possible after the lifting of restrictions.
-)] Baptism and wedding planning continues.
-)] Parish phone number 218-444-4262 will be monitored.
-)] Staff has been reduced in response to the absence of weekly collections.
- Weekly offertory envelopes may be mailed to St. Philip's. Recurring gifts (ACH withdrawal may be set up by contacting Deacon Kermit Erickson at kerickson@stphilipsbemidji.org). Online giving is available at stphilipsbemidji.org.

An angel of the Lord descended from heaven, came and rolled back the stone, and sat upon it. ~Matthew 28:2

The stone is what sealed human beings in the grave. By sitting on it, the Angel says that death is conquered—not only Jesus' death but all death. The stone is not going to roll back; it cannot any longer hold humanity captive to the grave. Our destiny is now the heights of heaven.

PRAYER: Lord, your power is greater than death. May Easter give me confidence to be a witness to Life! ~An Easter Reflection by Fr. Frank Pavone, Priests for Life

Prayer of Perfect Contrition

*My God, please grant me perfect sorrow for my sins.
Jesus, Savior of the world,
in the midst of your passion on the cross,
you suffered for me and gave your life to
purify me from my sins.
Separate me from any sinful desires. Amen.*

Act of Contrition

*O my God, I am heartily sorry for having offended you,
and I detest all my sins because of your just punishment,
but most of all because they offend you,
my God, who are all good and deserving of all my love.
I firmly resolve with the help of your grace
to sin no more and to avoid the near occasion of sin. Amen.*

Real Presence Radio is streaming Daily Mass live Monday through Friday at 9:00 AM on our **Facebook** and **YouTube** channels with many of our local priests. APRIL Is Child Abuse Prevention Month

Every April, Catholic parishes and schools across the United States participate in National Child Abuse Prevention Month.

The Effects of ABUSE

When a child is abused, the effects are grave and can last a lifetime. Some of the most common effects of abuse include:

- Loss of faith and trust in God.
- Post-traumatic stress disorder, psychological distress, and other indirect signs of trauma, such as anxiety, trouble sleeping, chronic stomach pain, and headaches.
- A greater risk of developing behavioral problems, substance abuse, and suicide.

The sense of violation goes deep into a person's psyche and feelings of anger, shame, hurt, and betrayal can build long after the abuse has taken place.

Steps to Prevent ABUSE

Communicate with Your Children

It is extremely important to communicate openly with your children. Let them know that they can talk to you about anything that bothers them. This will help you identify warning signs and grooming behaviors perpetrated by offenders before they escalate to abuse.

Educate Yourself and Your Children on Abuse

Learning how to identify, prevent, and report abuse is key. Parents and guardians should empower their children to protect themselves from harm and to report abuse. Ask your diocesan safe environment coordinator or parish delegate about opportunities for safe environment training.

Identify and Report Warning Signs of Child Abusers

Grooming behaviors are the actions abusers take to project the image that they are kind, generous, caring people, while their intent is to lure a minor into an inappropriate relationship. Offenders can be patient and may groom their victim, his or her family, or community for years.

Some abusers isolate a potential victim by giving him or her undue attention or lavish gifts, while others allow young people to participate in activities which their parents or guardians would not approve, such as watching pornography, drinking alcohol, using drugs, and excessive touching, such as wrestling and tickling. Abusers also often try to isolate their victims from family or friends and encourage their victims to keep secrets from their parents or other caring adults.

Holding Offenders ACCOUNTABLE

To help hold offenders accountable, report all suspected abuse to local public authorities. You can also contact your local diocesan victim assistance coordinator to make a report and seek outreach for the abused.

In accordance with diocesan policy, when a single act of sexual abuse is admitted or established, the offender is to be removed permanently from ministry.

"Let it be clear that before these abominations the Church will spare no effort to do all that is necessary to bring to justice whosoever has committed such crimes . . . To those who abuse minors I would say this: convert and hand yourself over to human justice, and prepare for divine justice."

—Pope Francis, Dec. 21, 2018

Thanks for FoodShare Overwhelming Response

The various checks from parishioners and St. Philip's Church for the 2020 FoodShare Drive have been delivered to the Bemidji Community Food Shelf. The response was overwhelming and comes at a critical juncture for individuals and families facing food insecurity during these uncertain times.

A total of \$12,706 was delivered to the Food Shelf. This included parish donations of \$7,706 and a \$5,000 contribution from the St. Philip's Clothing Depot. Sincere thanks are in order for all who gave cash or checks, especially for the Knights of Columbus and four individuals who pledged \$500 to match parishioners' first donations.

The Food Shelf is continuing to operate during the CoVID-19 crisis, but the process has changed. Rather than going into the Food Shelf building to select groceries, clients now drive into the facility's parking lot where they receive one or more boxes of food depending on family size. Since a large majority of Food Shelf volunteers fall into the vulnerable population group, individuals supplied by the United Way fill boxes before handing them out on Mondays and Wednesdays.

During the first six days of operation with this system, 694 families received food. That is significantly higher than the per-day average the Food Shelf experienced prior to the state shutdown. It also reflects a growing need as more people are furloughed and businesses shuttered.

Since many of the goods are purchased, donations are still being accepted by the local Food Shelf. A partial matching grant from the Greater Minneapolis Community Connection for the FoodShare campaign has been extended to include donations received through the end of April. If you were not able to contribute during the our church drive on the March 7-8 weekend or if you want to help more, you may send checks payable to the Bemidji Community Food Shelf with a notation on the check's memo line identifying St. Philip's as the source.

Checks may be sent to the Bemidji Community Food Shelf, PO Box 3118, Bemidji, MN 56619. Make sure to write St. Philip's on the memo line.

Thanks again for your continued support.
