Let Jesus Calm the Storms and Quiet the Fears in Our Lives

June 20, 2021

"Quiet! Be still!" As Jesus spoke these words, the storm subsided that was threatening the Apostles in their boats. These men, many who were fishermen by trade, were having their boats tossed about and filled with water. It had to have been a seriously fierce storm since it frightened these men, many of whom made their living on the sea. They were so afraid that they woke Jesus, who was asleep in the boat ...they needed Him to be fully with them.

Most of us will experience different sorts of storms in our lives. Certainly, we can count on Jesus to help calm our storms as well. What are those storms of ours? Perhaps we struggle in our relationships? Maybe our storms are connected to physical or financial troubles. Maybe we struggle with our faith, or we're challenged by anxiety or depression. How wonderful it is then to know that Jesus can calm all our storms. He's there to give us His peace, if we just turn our fears over to Him. Just as He calmed the winds and silenced the waves, He can comfort us as well.

As the disciples experienced this miracle on the sea, they were struck with awe and wonder. "Who then is this," they ask, "whom even wind and sea obey?" They still didn't fully grasp who Jesus was and the extent of His mighty power...they were still learning. Even though they were with Him every day, listening to His words and witnessing His miracles, they were still uncertain. Jesus admonishes them a little when He asks them, "Why are you terrified? Do you not yet have faith?"

The truth is that in our own journeys to the Father and His Heavenly Kingdom, we too are still learning who Jesus is. It is often a big leap to go from the Jesus we read about in the Gospels, to the Jesus who lives in our hearts. There's a difference between knowing Jesus in our minds and then fully becoming one with Him. Just like any personal relationship that we want to grow and strengthen, our love and closeness will grow as we get to know each other better. This requires us to spend time together, listening ...watching ...and learning.

In order for our faith to grow, we need to deepen our relationship with Jesus – to spend time with Him every day, and include Him in our thoughts and decisions through prayer. We can read the Gospels and spend time with others who also believe in Him so we can learn from their experiences. We must make it a "lived faith." For Jesus to be in our hearts, we must invite Him in, and then nourish that relationship daily. We can survive the storms in our life with Jesus' help. In loving Jesus, our storms and fears will be calmed and quieted, and our faith strengthened.

Blessings on your week,
Dcn. Robb

Dispensation and Livestream Updates

The Diocese of Crookston will join the other five Minnesota dioceses in re-instating the Sunday obligation to attend Mass on July 1 and thus will be effective the weekend of July 3 and 4.

With the ending of dispensation from Mass attendance, St. Philip's will discontinue livestreaming weekend Masses. We are grateful we were able to stay connected and worship "together" during Covid-19. We look forward to worshipping together in person. We also appreciate the patience in response to technical difficulties. The Confirmation Mass (Saturday, June 26 at 5:30 PM) will be the final livestream. Also, previously recorded services will be deleted from YouTube. If you have questions, please contact Maryhelen Chadwick at 218-444-4262 or mhchadwick@stphilipsbemidji.org.

Fr. Jerry Farewell

Please join us after the Sunday morning Masses (8 & 10 AM) June 27 to celebrate Fr. Jerry and thank him for his leadership of St. Philip's during this especially challenging year. Fr. Jerry will continue to be the pastor at St. Mary's Mission in Red Lake and Sacred Heart in Wilton. The morning will be filled with worship, well-wishing, and cake!

Holy Cross Cemetery Updates

First of all, I would like to thank all those who removed their decorations before our spring clean-up. It made the early spring work nice.

As you know the weather has been extremely warm and dry. I will be out looking into the sprinkler system in the next few weeks as it has not been run for many years. For now the decorations will be the only thing that looks good out there!!

On June 15 we implemented a slight price increase for the purchase of plots and burial costs at the cemetery. The last increase made to these items was in 2008 so this action was justified.

The Holy Cross Visionary Committee is currently working on a new directory sign. The plan is to have it complete by this fall. Thank you to the committee for their good work!

A small crew has agreed to work on raising markers that have become overgrown or covered over time. That will be done as the summer heat permits.

We will keep you up to date on the fall clean-up and when you can put winter decorations out.

Thanks.

Brad Arel, Sexton
