

Dear Seventh and Eighth Graders,

As we enter into Week Three of Remote Learning, my hope is that you've all established a routine that works for you and that you're staying safe, healthy and in communication with one another. My heart continues to go out and I continue to pray for each of you. This wasn't how the year was supposed to be; it's hard, it's terrible, but we'll continue to make the best of it and to make sure we're doing everything to get you ready for what's to come.

Moving to Google Classroom

Looking ahead, to make things easier to communicate updates daily and other important information as it occurs, I'll be switching over all classes to Google Classroom. This will happen starting the week after Easter. I'll have all codes posted on my Weebly website and in the next newsletter update.

Office Hours/Additional Support

Office hours will remain the same each day through Google Hangout. Use this time to ask any questions you might have relating to work or anything else.

Hours: 10 a.m. to 12 p.m.

Contact Information for Google Hangout: aj.hakim@gmail.com

For anyone who needs additional support or has a question that's difficult to ask/have answered via text/e-mail, I'm happy to also set up virtual meetings to help out any way I can.

Finding/Turning in Assignments

For anyone who hasn't done so already, please submit all assignments from the previous two weeks via e-mail. My e-mail address is ajhakim@stpaulonthelake.org.

Check my website, mrhakimsclass.weebly.com, for all the work.

Look for the CLASSES/ASSIGNMENTS dropdown menu and scroll to your class.

As you scroll, there will be options for WEEK ONE, WEEK TWO and WEEK THREE.
