- I have laid out a daily plan for week one of our remote learning. The due dates for assignments are flexible. Just try your best to get everything completed by Sunday of that particular week.
- All assignments can be turned in on Google Classroom (preferred), emailed, or done on loose leaf. You are more than welcome to scan/take a picture of your work and send it to me. You can also do it on loose leaf and bring it to school when we meet again as a last resort. I know technology doesn't always want to cooperate.
 - Recommended Scanner Apps:
 - Genius Scan (Free)
 - Scanner Pro (\$3.99)
- Have fun! This is new for all of us. Let's be thankful for the people in our lives and the technology/resources we have. If you find anything interesting that you think would be beneficial to our class, tell us about it. Let's learn new things together!
