

Dear Parents and Guardians,

I hope this message finds you well! My name is Melody Colichio, and I am excited to introduce myself as your child's Nursery School teacher for this academic year at Holy Angel's Regional School. I am looking forward to a wonderful year filled with learning, growth, and collaboration.

A little about myself: I have 10 years of teaching experience and hold a degree in Early Childhood Education from Suffolk Community College and an Elementary degree from Dowling College. I am passionate about teaching, growth and development, and I believe in creating a supportive and engaging classroom environment where every student can thrive.

This year, we will be focusing on the alphabet, numbers, colors, socializing, art, play and classroom rules. I believe that open communication between home and school is essential for your child's success, so I encourage you to reach out with any questions or concerns you may have throughout the year.

I will be sending out regular updates about classroom activities and important announcements, so please keep an eye on your email, remind app and please be sure to check your child's folder daily. My email is mcolichio5573@holyyangelregional.org. Please join the remind App- with class code @msmelodyn

Thank you for your support, and I can't wait to embark on this exciting journey with your child!

Warm regards,

Melody Colichio
