Mark your calendars:

Saturday November 18, 2pm at the Millbrook High School Auditorium, for the premier of the documentary film, "Il Villaggio di Millbrook", about Millbrook's Italian Heritage. The 35 minute film grew out of Millbrook's Museum in the Streets project. As a follow up, the film captures the stories of some of Millbrook's oldest families whose ancestors came in the late 19th and 20th centuries to work on the great estates in the area. A number of our parishioners were interviewed and will be featured in the film. The film is the inspiration of Barbara Hanson Pierce and was filmed by Robert Hanson. After the presentation, refreshments will be served by parishioners of our Parish. Please plan to join us.
