Fun Facts

- I have 3 children- Shane (13), Molly (10) and Caden (3)
- I have been married for 17 years.
- My husband is retiring from the Army this year! That means no more moving for us!
- My favorite thing to do is go to the beach.

All About Me!

I love teaching nursery school! There is something so special about being a child's first teacher. I grew up in Stony Brook and recently moved back to Long Island after almost 20 years of living all around the country.

I have taught in Hawaii, Texas and upstate New York. I even taught here at St. Patrick School during the 2006-2007 school year!
