**Saint Mary Magdalene Feast Day - July 22nd**

St. Mary Magdalene is one of the greatest saints of the Bible and a legendary example of God's mercy and grace. The precise dates of her birth and death are unknown, but we do know she was present with Christ during his public ministry, death and resurrection. She is mentioned at least a dozen times in the Gospels. It is believed she was a Jewish woman who lived among Gentiles, living as they did. The Gospels agree that Mary was originally a great sinner. Jesus cast seven demons out of her when he met her. There is also debate over if Mary Magdalene is the same unnamed women, a sinner, who weeps and washes Jesus' feet with her hair in the Gospel of John. Despite the scholarly dispute over her background, what she did in her subsequent life, after meeting Jesus, is much more

significant. She was certainly a sinner whom Jesus saved, giving us an example of how no person is beyond the saving grace of God. During Jesus' ministry, it is believed that Mary Magdalene followed him, part of a semi-permanent entourage who served Jesus and his Disciples. Mary likely watched the crucifixion from a distance along with the other women who followed Christ during His ministry. Mary was present when Christ rose from the dead, visiting his tomb to anoint his body only to find the stone rolled away and Christ, very much alive, sitting at the place they laid Him. **She was the first witness to His resurrection.** After the death of Christ, a legend states that she remained among the early Christians. After fourteen years, she was allegedly put into a boat by Jews, along with several other saints of the early Church, and set adrift without sails or oars. The boat landed in southern France, where she spent the remaining years of her life living in solitude, in a cave. St. Mary Magdalene is the patroness of converts, repentant sinners, sexual temptation, pharmacists, tanners and women, and many other places and causes.
