St. Therese of Lisieux
The Little Flower
Feast Day - October 1st

The world came to know Therese through her autobiography, "Story of a Soul". She described her life as a "little way of spiritual childhood." She lived each day with an unshakable confidence in God's love. "What matters in life," she wrote, "is not great deeds, but great love." Therese lived and taught a spirituality of attending to everyone and everything well and with love. She believed that just as a child becomes enamored with what is before her, we should also have a childlike focus and totally attentive love. Therese's spirituality is of doing the ordinary, with extraordinary love.

She loved flowers and saw herself as the "little flower of Jesus," who gave glory to God by just being her beautiful little self among all the other flowers in God's garden. Because of this beautiful analogy, the title "little flower" remained with St. Therese.

"My mission - to make God loved - will begin after my death," she said. "I will spend my heaven doing good on earth. I will let fall a shower of roses." Roses have been described and experienced as Saint Therese's signature. Countless millions have been touched by her intercession and imitate her "little way." She has been acclaimed "the greatest saint of modern times." In 1997, Pope John Paul II declared St. Therese a Doctor of the Church - the only Doctor of his pontificate - in tribute to the powerful way her spirituality has influenced people all over the world.

Ignorance of the Scripture is ignorance of Christ.
St. Jerome

It is our right and responsibility to vote with a well-formed conscience. A well-formed conscience is formed under the guidance of the Holy Spirit through prayers, Scripture and reflecting and informing oneself about the moral teachings of the Catholic Church as guided by Faithful Citizenship."

Archbishop Gregory M. Aymond

"I never say a word about electoral campaigns. The people are sovereign. I will only say: Study the proposals well, pray, and choose in conscience."

Pope Francis
